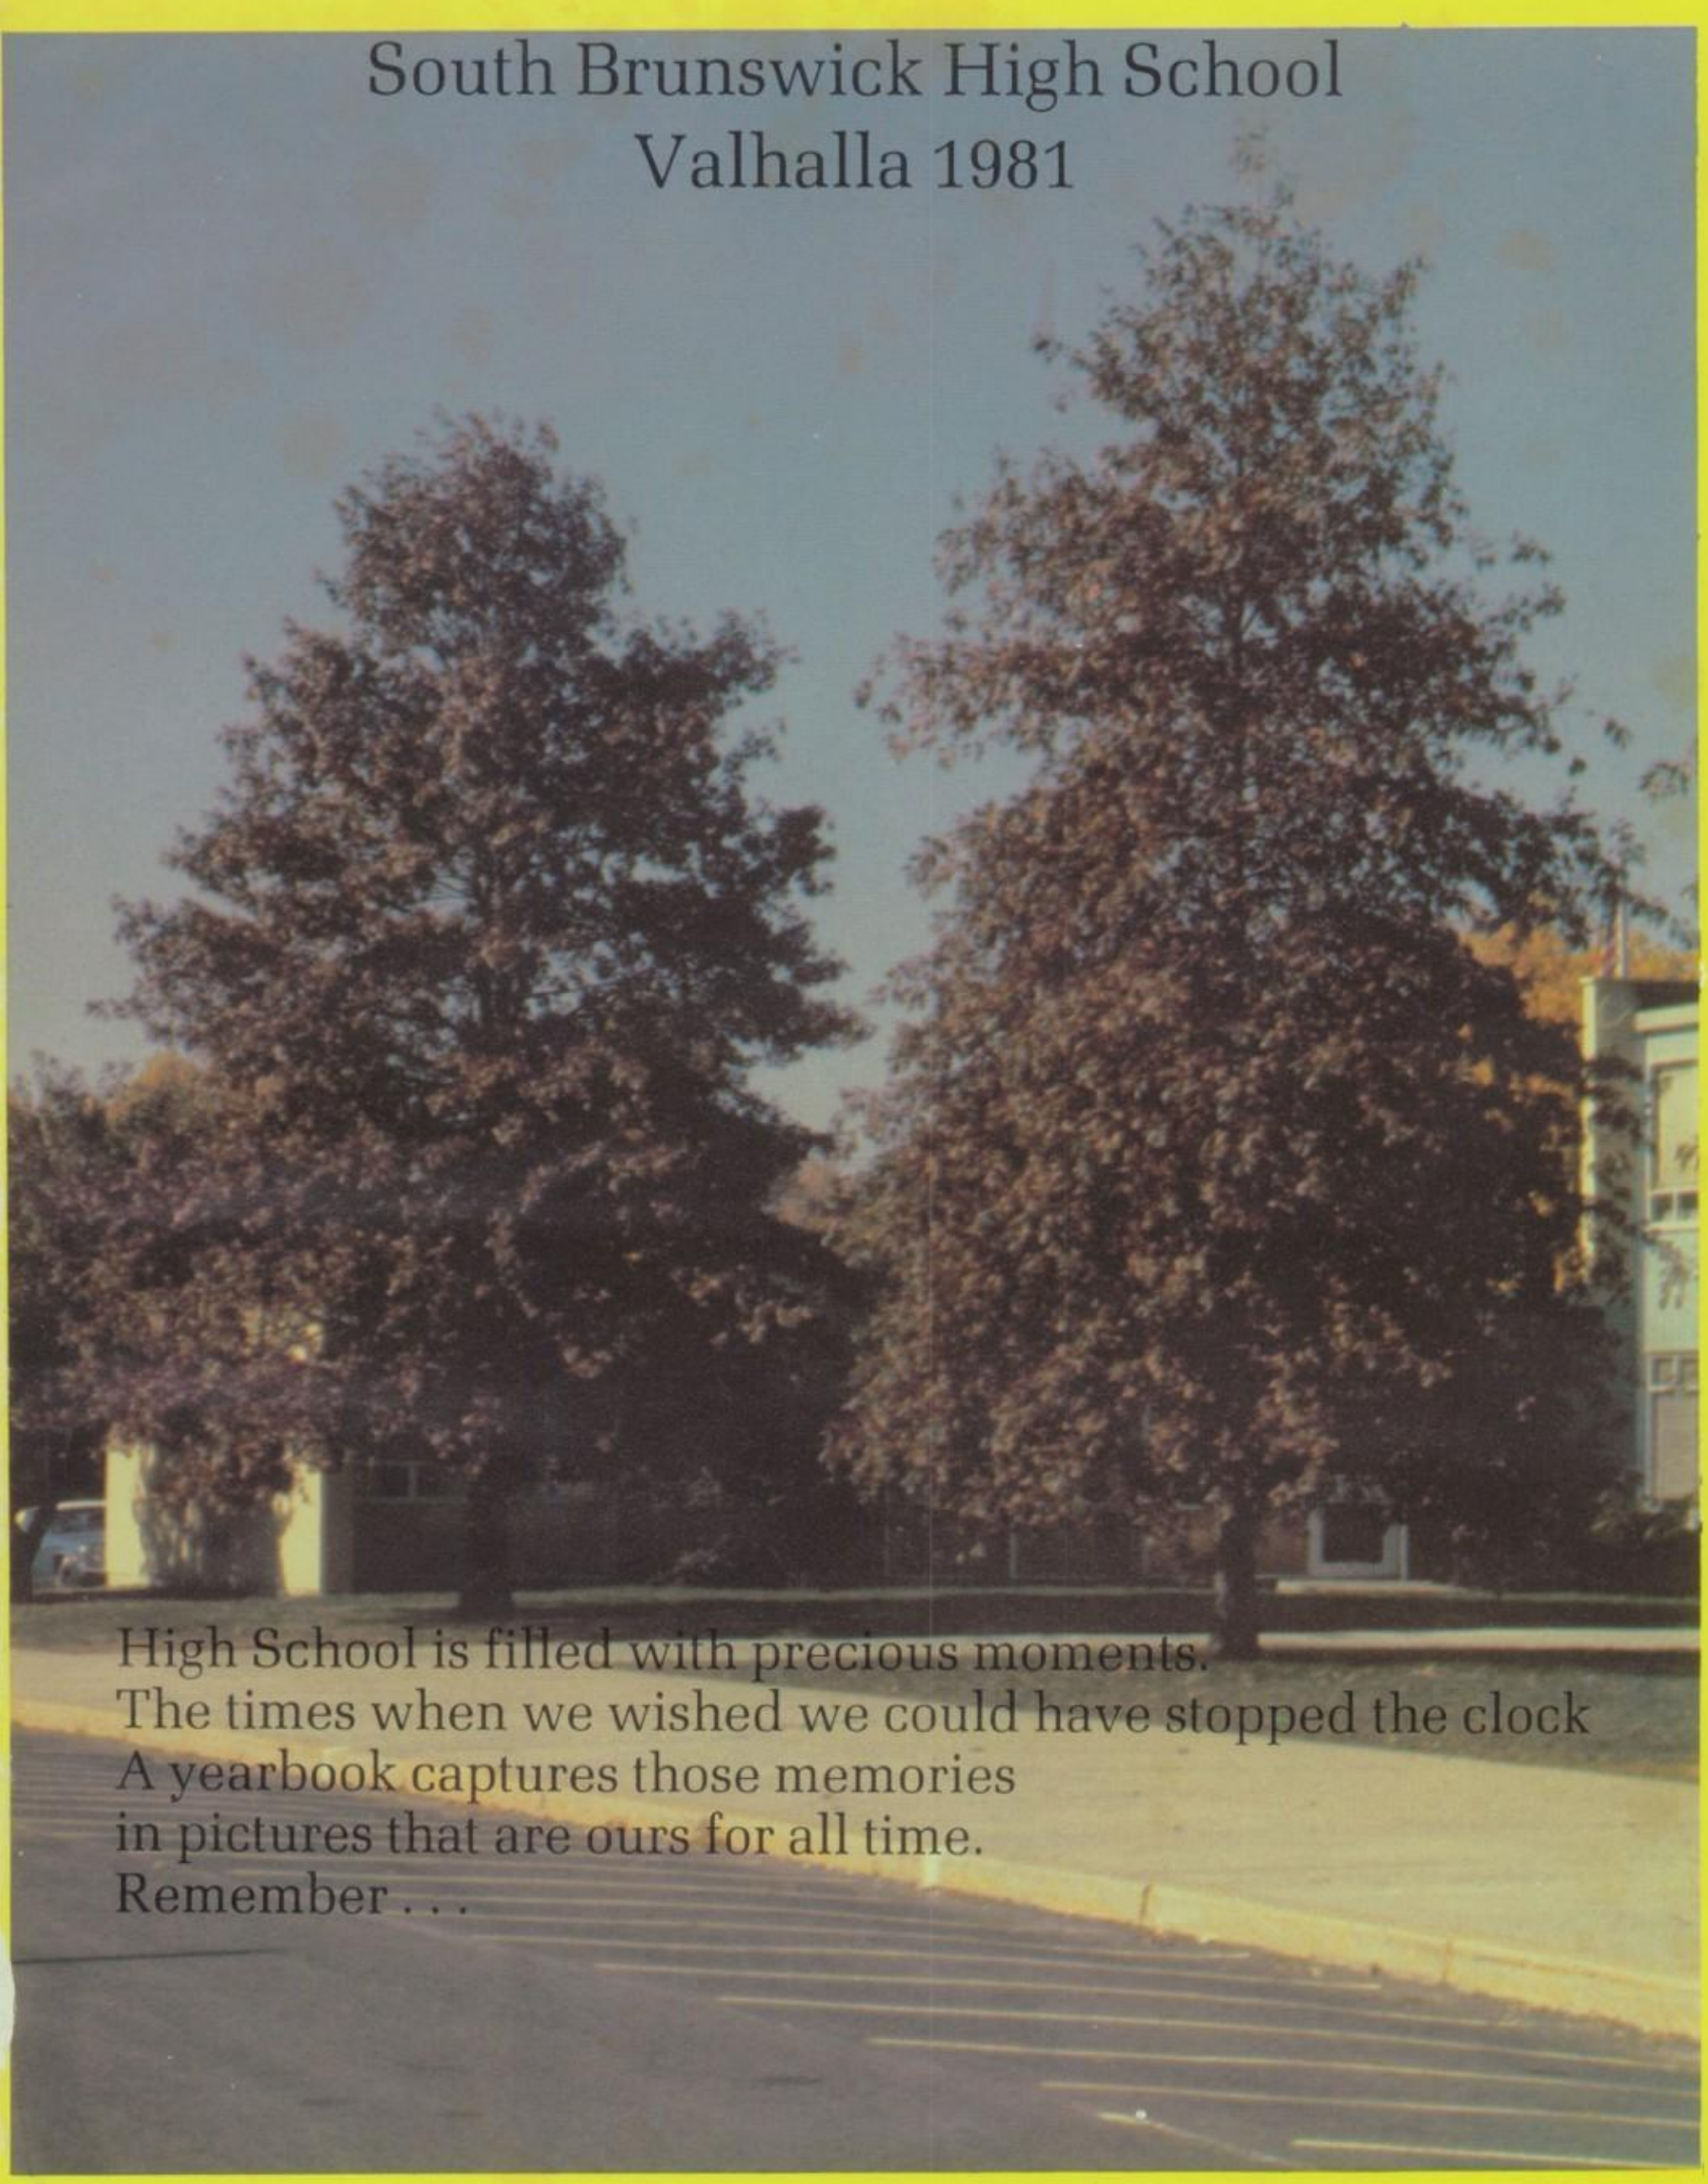
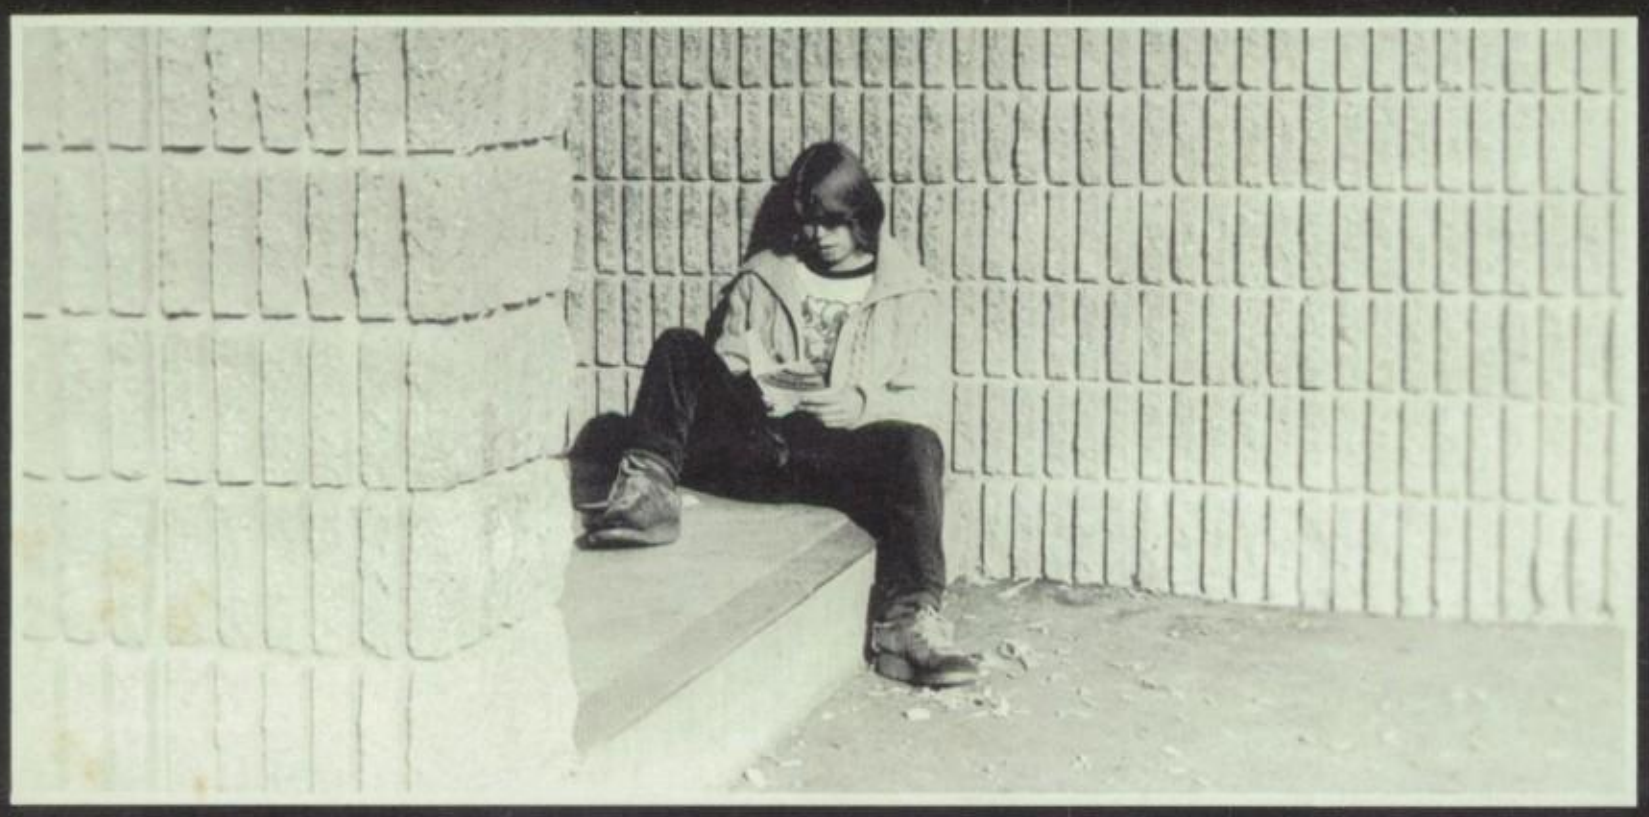
South Brunswick High School
Valhalla 1981



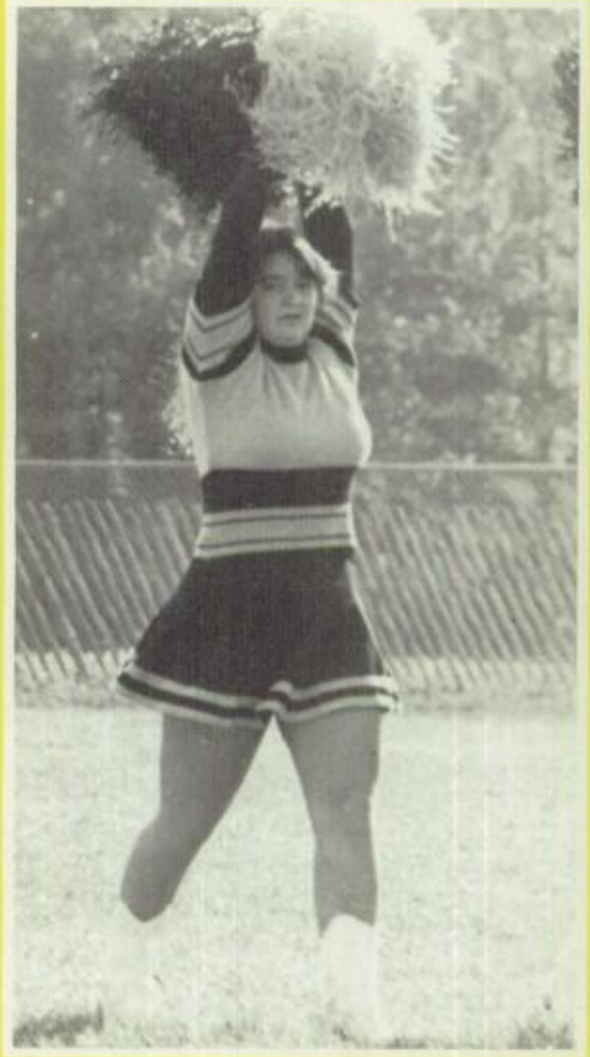
High School is filled with precious moments.
The times when we wished we could have stopped the clock
A yearbook captures those memories
in pictures that are ours for all time.
Remember . . .

THE TIMES WE LAUGHED . . .



THE TIMES WE CRIED . . .

THE TIMES WE CHEERED . . .

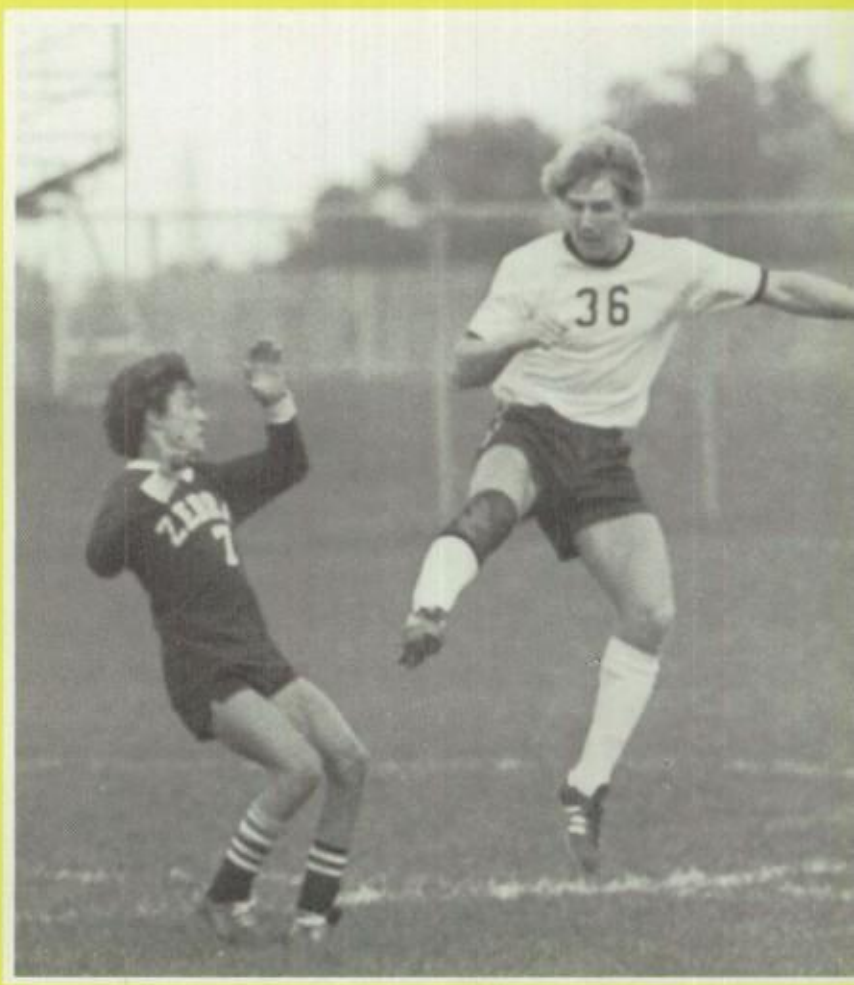


SO FULL OF PRIDE . . .

THE DAYS OF SUNSHINE . . .

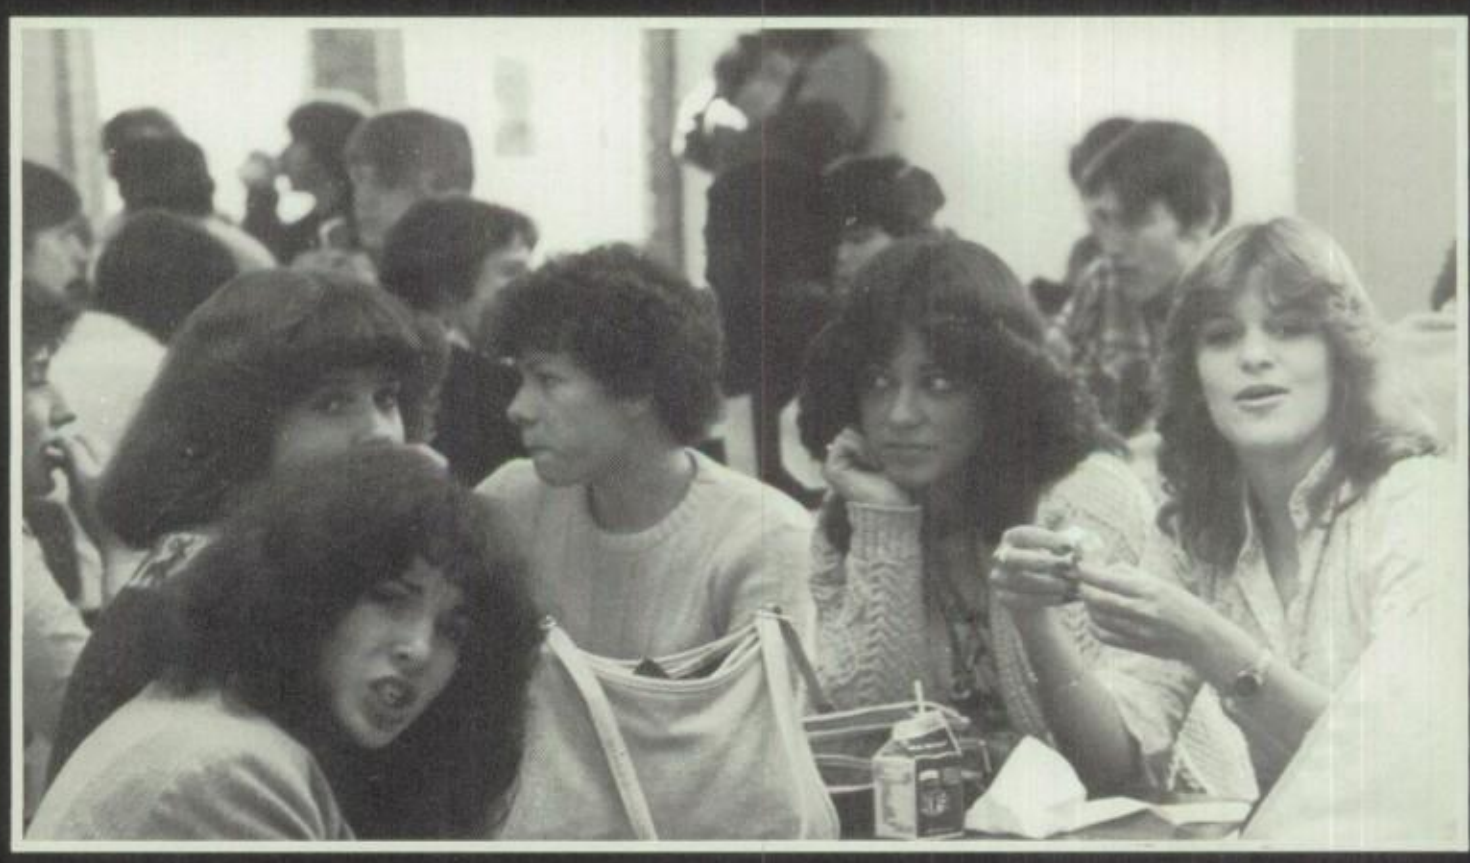
SHARED WITH A FRIEND . . .

OUR ABUNDANT ENERGY . . .



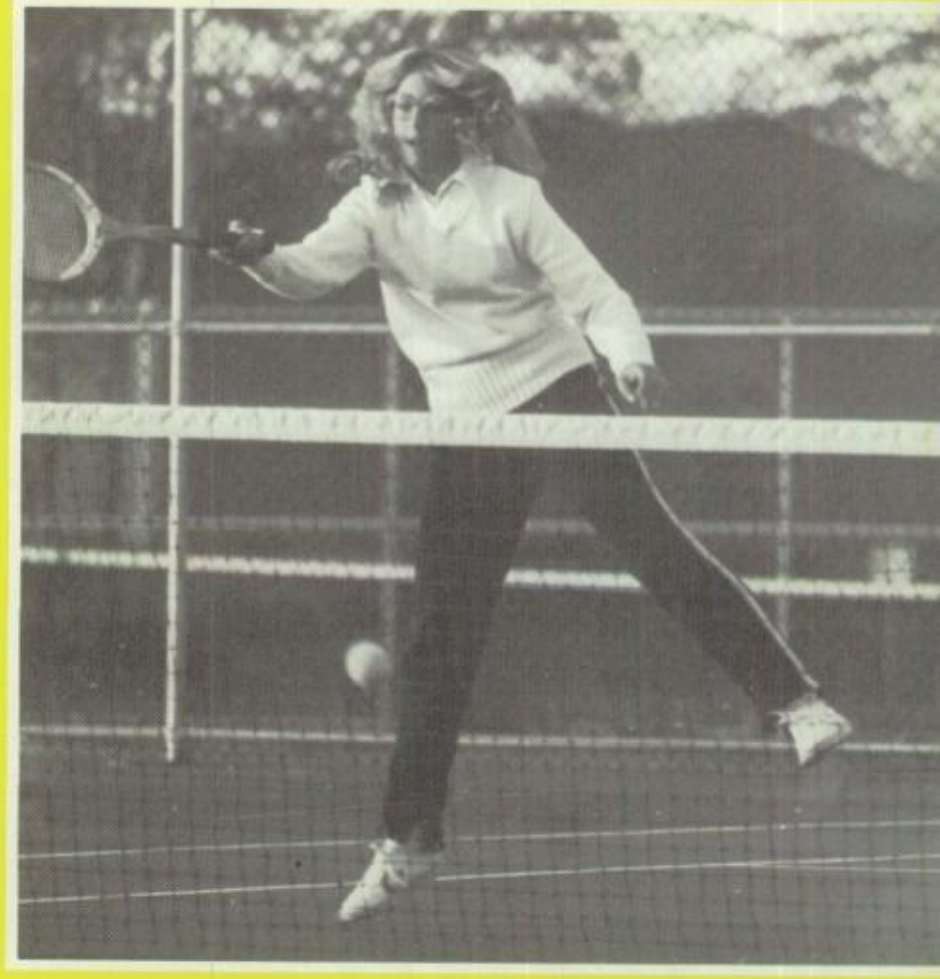
THAT SEEMED NEVER TO END . . .

THE SECRETS WE SHARED . . .



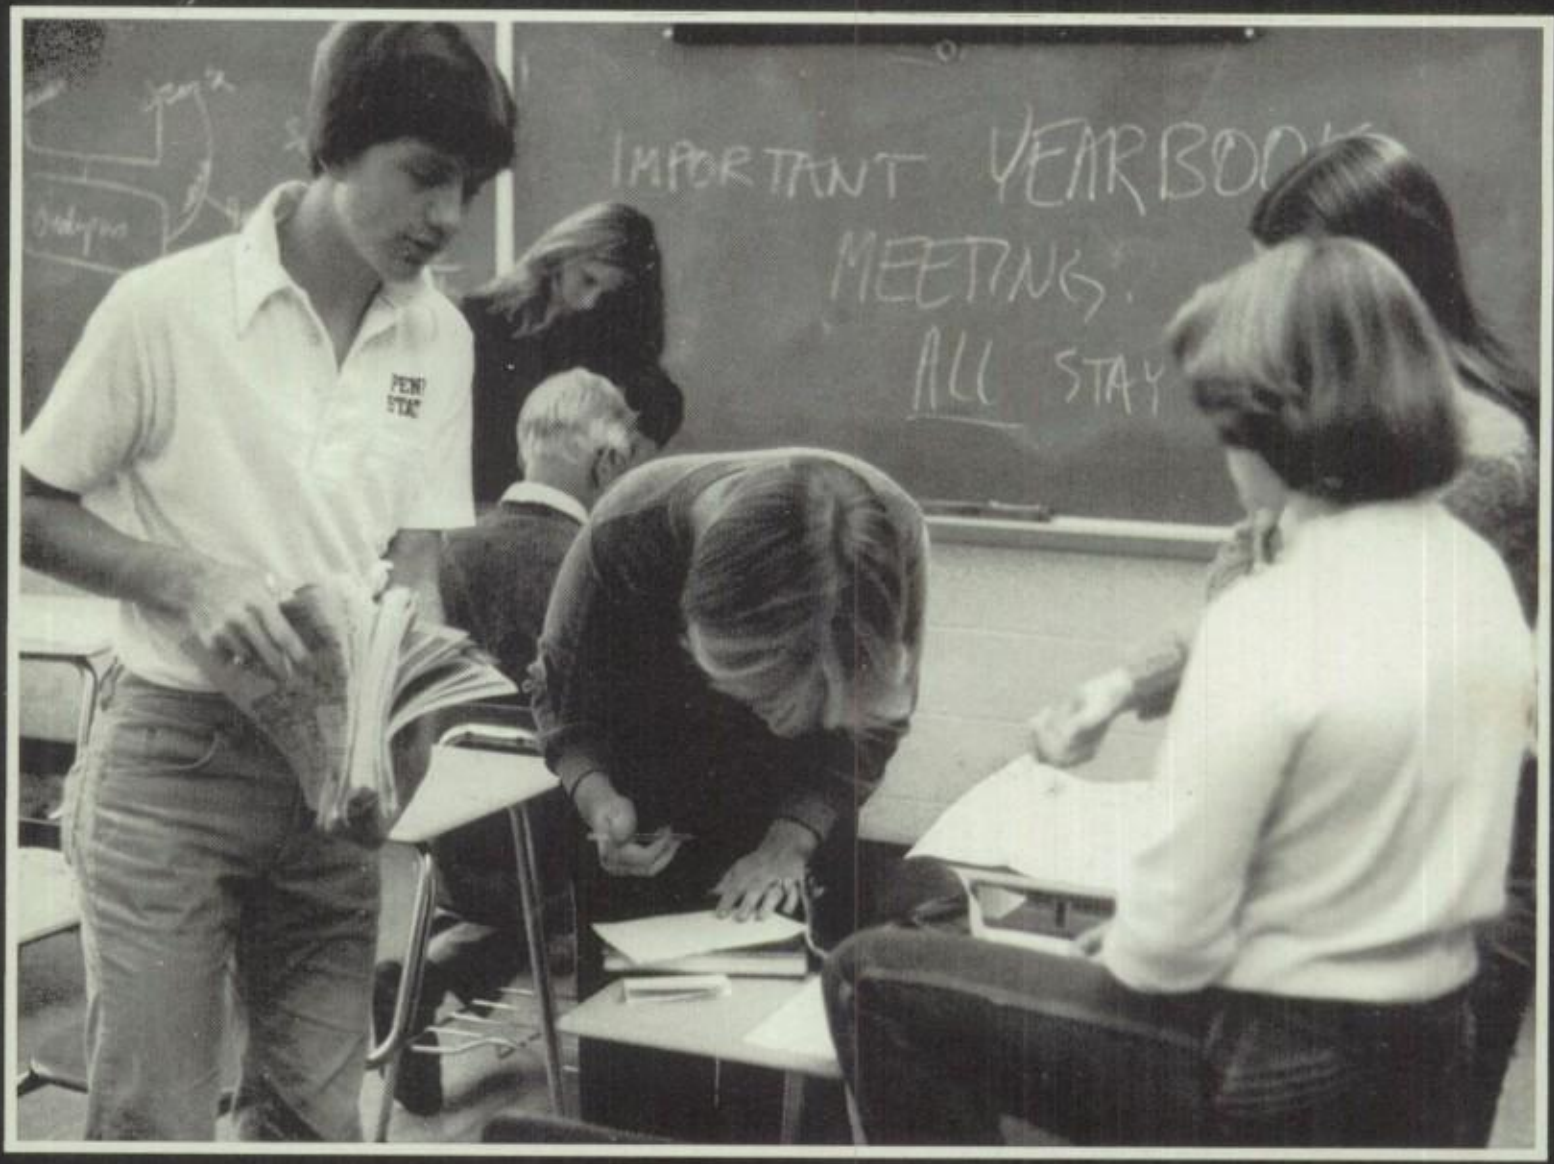
THE LAUGHTER AND TEARS . . .

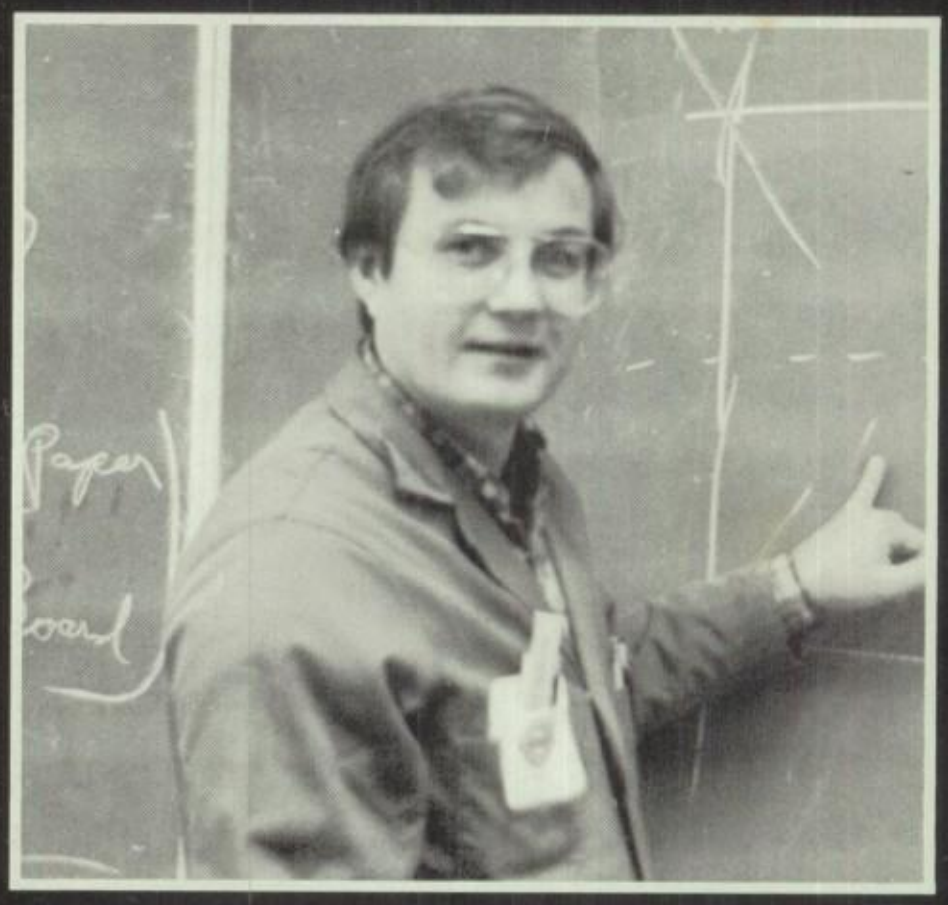
THE THINGS WE DARED . . .

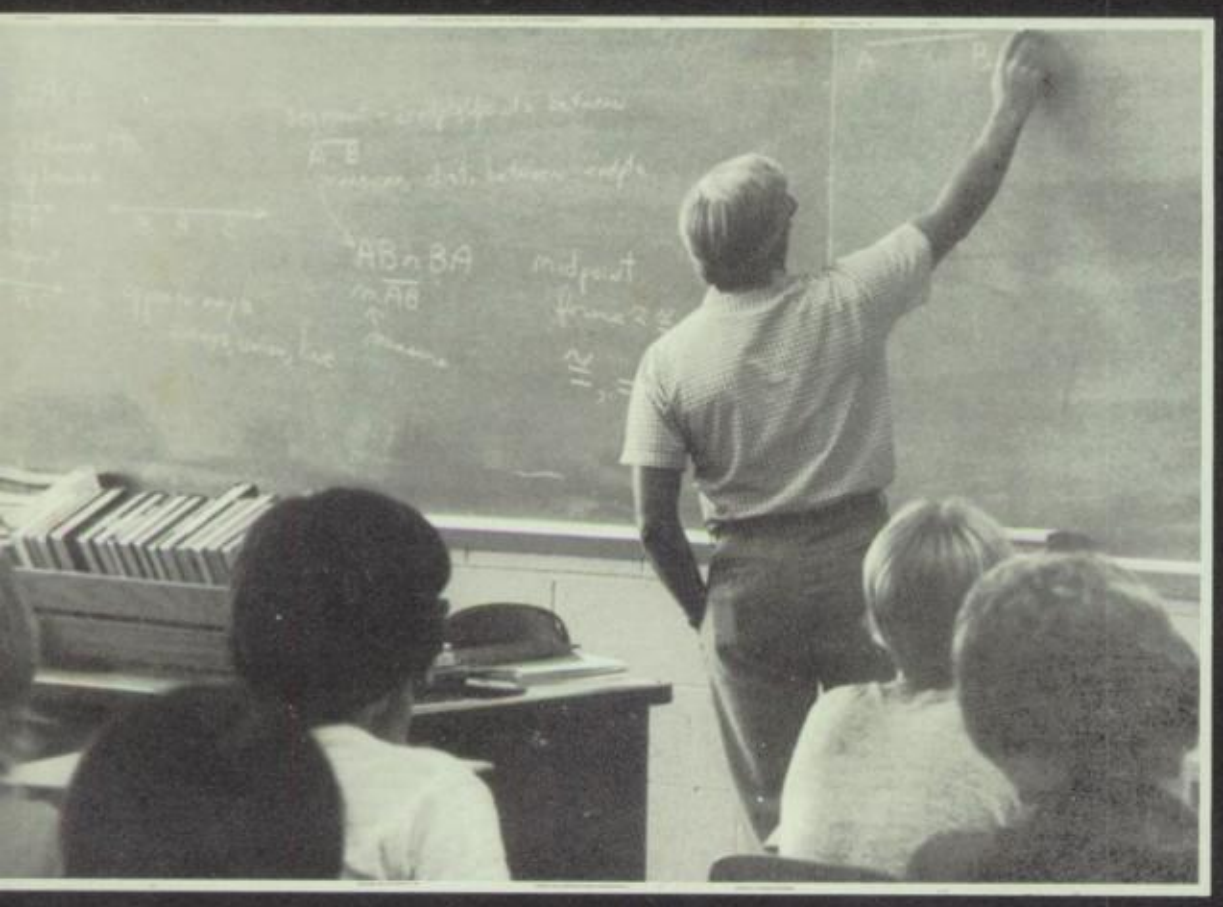


THROUGHOUT THE YEARS . . .

THE THINGS WE DISCOVERED . . .







BOTH OLD AND NEW . . .

THE THINGS WE LEARNED . . .

A Message to the Class of 1981:

Valhalla 1981 represents all of the emotions this past year to a variety of people looking through these pages from their own personal point of view. At the same time, it is a representation of a community of people who spend more time together within the walls and program limitations of this high school than in any other single aspect of their own personal life. Within these pages one will find the joy, sadness and hopes of each of us bound together by the community of South Brunswick and living through a particular time in the life of the world, this community and our own selves.

Each school has its own personality. Describing South Brunswick calls for words like friendship, comfort, caring, all words of emotion, concern and human relationships. Over the course of time we also have to share moments of sorrow, but happily they are small in number for this school community and usually result in a closer joining together of the human spirit.

The world of the moment will never be like that of another age. The problems facing us continue to be complex and perplexing. However, each of us continues the thread of human responsibility to our fellows as we live out the life of citizens in a democratic republic. It has always been a comfort to me to be able to share problems and joys with a faculty and student body as close as is true in this school. It is difficult to consider being at another place when one knows what has been achieved at South Brunswick through the effort of people who are committed to people.

The passage from high school to the next phase of young adulthood combines the full range of human emotion. It will be a difficult time since good-bye must be spoken. It will be a wonderful time because another class of young men and women move ahead with the story of their personal lives. As each of you moves out in the next phase of your own life, we as a faculty will meet a new group of young men and women who again will become deeply embedded in the history and community of this school. It is our hope that you have each found special moments to remember, special people to hold dear and dreams of what can be. To have had the opportunity to know you and work with you has been a privilege. We are always here, available to assist as needed. When you look back over the high school years, we hope the memories are sweet, the feelings warm and the growth positive. The power to the individual human being is limitless and together there is little we cannot accomplish.

South Brunswick 1980 Marching Machine

The South Brunswick 1980 Marching Machine had a very successful season led by Drum Majorette, Diane Thompson.

In addition to performing at all the Varsity football games, they were host band for the Home News Band Festival, hosted their own Tournament of Champions, and competed several times at other competitions.

Their field show, under the direction of Michael Fanelli, consisted of William Tell Overture, Maria, Land of Makebelieve, Muppet Show Drum Solo, Chorus Line Dance Spectacular, and Finale from Star Trek.

Tournament of Champions

The South Brunswick Band Parents and the Marching Machine sponsored their first annual Tournament of Champions at Mike Elko Field on September 28, 1980.

Nine high schools competed under the tournament rules. The overall winner was David Brearly Regional High School from Kenilworth, New Jersey.

Varsity Football Cheerleaders

The Cheerleaders provided great support for our football team this year. They showed consistent enthusiasm at the games and were big participants in the 1980 Homecoming Pep Rally.

To heighten the spirit of the football players, the girls decorated the locker rooms, baked goodies, and gave moral support to all. They were also big supporters of the band, helping them by selling programs at the Home News Band Festival.

The Varsity squad was led by co-captains, Kim Vetter and Nancy Huthansel. Other seniors on the squad were Joy Polansky and Dania Hann. Leading the JV squad was captain Pam Davis who later cheered her way up to Varsity.

Junior Float

Class of '83 Float Captures Winning Title

On the chilly morning of Nov. 8 the Homecoming activities started off at 10:00 AM with an annual parade down New Road. Participants of the parade included the band, cheerleaders, class floats, and the Homecoming Court.

This year's float winner was the Sophomore class with the Junior class as runner-up. The Junior class also won Spirit Week which consisted of hall decorations, moustache day, hat day, 50's day, and black and gold day.

The highlight of the day was at the halftime festivities when the Homecoming Court was announced and Kim Vetter was crowned our new queen!

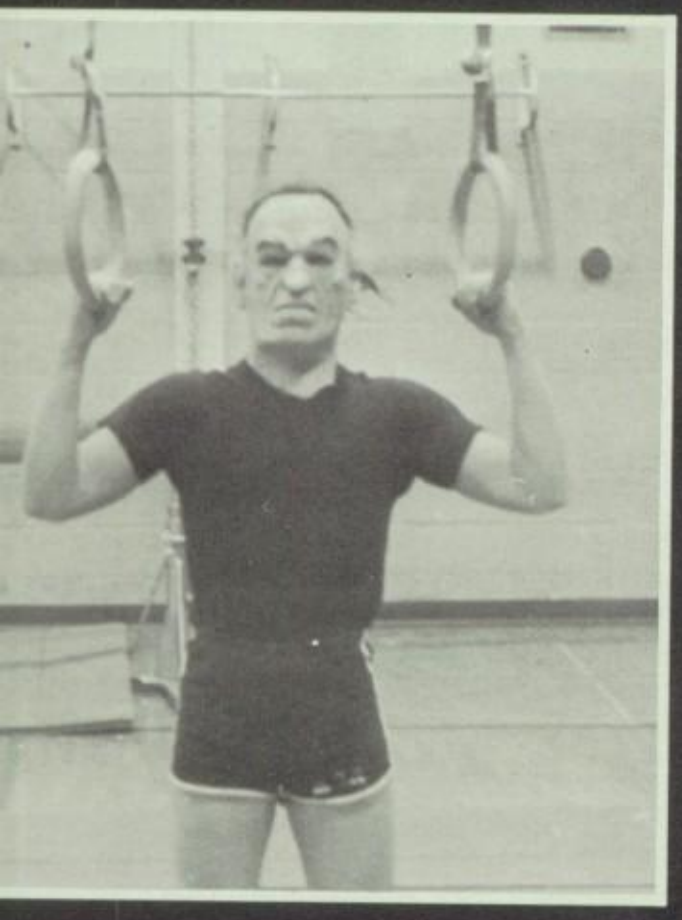
Halloween

Halloween this year was celebrated throughout S.B.H.S. by students as well as faculty members. Roaming the halls, you might have caught a glimpse of a cuddly bear, Mickey Mouse, scary ghoul, or even a Miss Piggy! The various costumes each had their own originality which made this Halloween one to remember.



Math Team

The Math Team consists of students who are interested in mathematics as well as those who want to improve their skills. The team competes in two different leagues; the Central Jersey Math League and the New Jersey Math League.

The team, having suffered the losses (through graduation) of several key mathletes who produced three successive CJML championships, is in a rebuilding year and currently (through January) ranks fifth out of twenty five schools.

This year's team is led by Captain Phil Chang, Joe Avins, Lonnie Hordon, Mike Riemer and John Wang. The advisors are Mr. Donald Cooke and Mr. Joseph Valenti.

Mu Alpha Theta

FHS

The French Honor Society is composed of academically skilled students in other classes as well as French classes. The club's advisor is Marie Mustillo, President — Tracy Carringer, Vice-President — Jean Cenci, Treasurer — Roberta Patricelli and Secretary — Janet Kouril.

The purpose of the society is to promote the use of the French language and to become more familiar with the culture. This year's activities include: participating in the volleyball tournament, a candy sale, a potluck dinner and various trips to the theater and dinner.

SHS

The Spanish Honor Society consists of academically inclined students in Spanish and other classes as well. The club holds monthly meetings to discuss fund raisers and future trips. This year's fund raisers included candy sales and holiday candle sales. A trip to see the play Evita and an induction ceremony was also planned.

The officers are: President — Theresa Gambino, Vice—President — Kelly Kupka, Secretary — Regina Franco and Treasurer — Marianna Wasko. The club is advised by Mrs. Rutlner and Mrs. Ig Ingandela.

National Honor Society

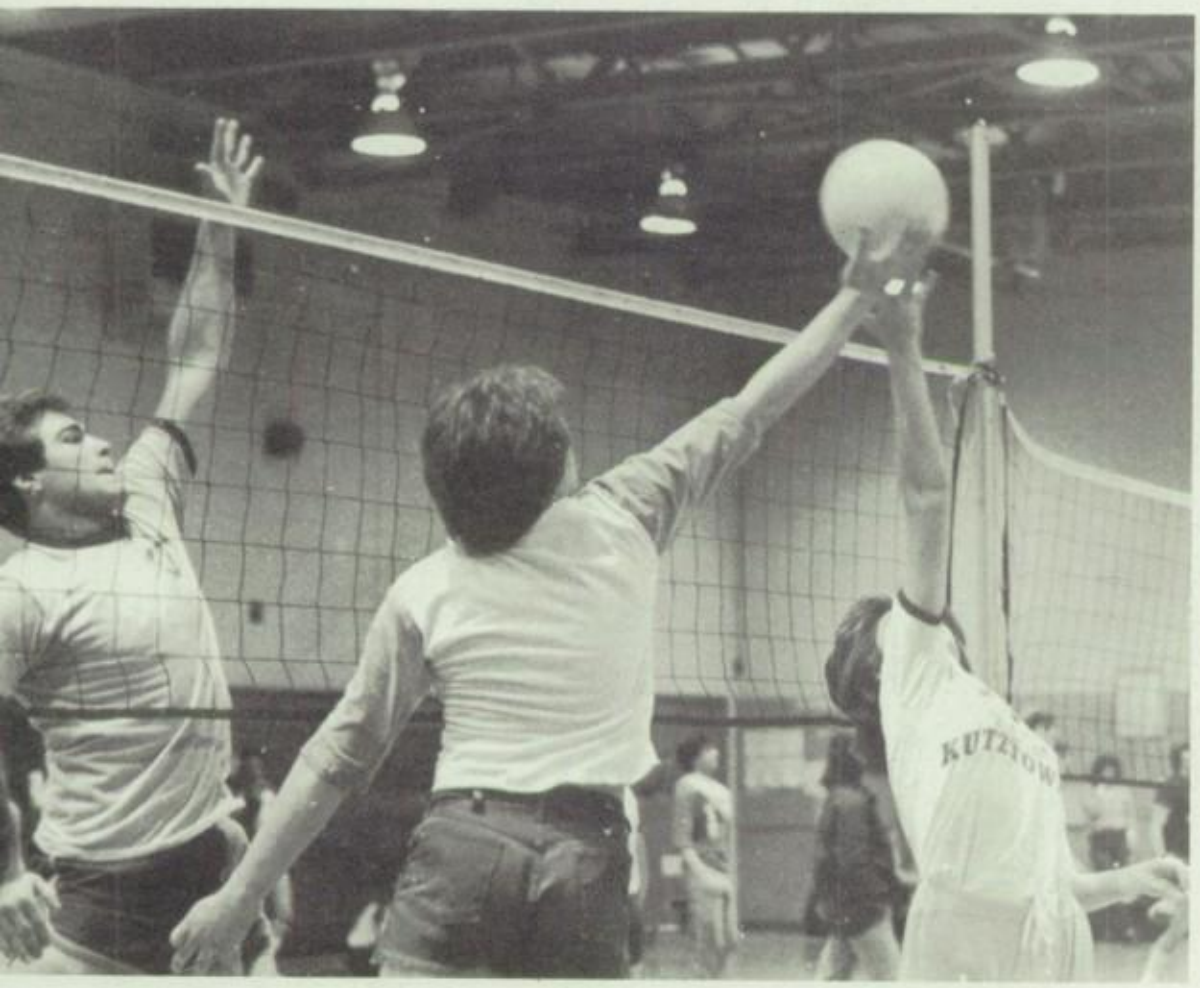
The National Honor Society is an organization composed of seniors that have achieved academic excellence. Selection in the society is based upon a student's grade-point average as well as teachers' recommendations.

The society is designed to stress character, leadership, scholarship, and service qualities throughout the school.

The N.H.S. is also responsible for various functions throughout the year. Such things include: a tutoring service, volleyball tournament, Bowl-a-Thon for Cystic-Fibrosis, and it has sent representatives to the Hand-in-Hand Festival Day for retarded citizens.

The advisor of the N.H.S. is Ms. Carol Watchler, with Robin Schnitzler residing as President, Denise Zboray as Vice-President, Natalie Previte as Treasurer, and Mitch Hecker and Janet Kouril as Secretaries.

National Honor Society Volleyball Tournament



The National Honor Society sponsored its third annual volleyball tournament on February 12, 1981 and it was termed to be the most successful tourney to date.

The tournament winner in the Community Division were the S.B.H.S. Graduates, while the representatives of St. Pius X High School found themselves victorious in the school division.

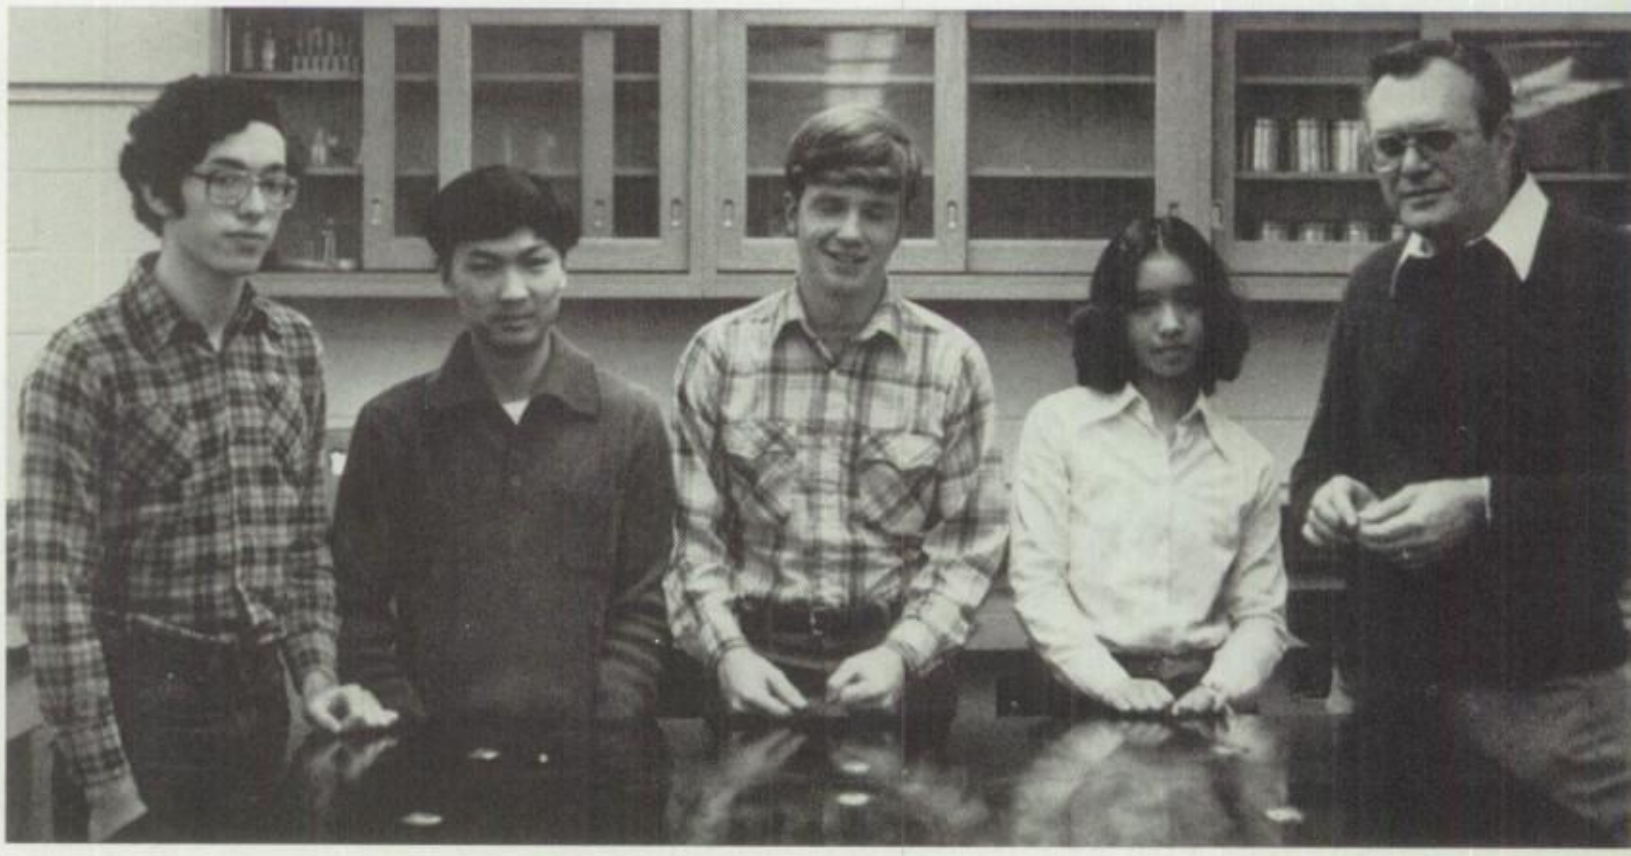
Proceeds from the tournament, which N.H.S. advisor, Carol Watchler called, "the best ever", will go to the National Honor Society Scholarship Fund.

Latin Club

The purpose of the Latin Club is to encourage interest in the Latin language and culture. Now in its first year, the Latin Club has proved to be a success. They held several different activities such as a "Get Acquainted Party", Saternalicea (Christmas) Party and a presentation of Latin cultural projects by members.

The club is advised by Mr. Lou Mennitt, with Roberta Patricelli as President, Ken McGrady — Vice-President, Monica Taylor — Treasurer and Jill Peterson — Secretary.

Physics Club



The Physics Club is one of the newest clubs at SBHS. Mr. Bob Chopick advises the club. The officers are: President — Fenney Kuo, Vice-President — Lonnie Hordon, Secretary — Mike Reimer and Treasurer — Phil Chang.

The purpose of this club is to expand the student's knowledge of physics and to participate in the NJ Physics League. The club meets once every two weeks to practice physics problems and to take tests given by the NJ Physics League.

Future Homemakers of America

The Future Homemakers of America Chapter is affiliated with the state and national F.H.A.-H.E.R.O. Home Economics Related Occupations) organization.

The purpose of this club is to promote the members knowledge and skills dealing with consumerism housg, food and nutrition, grooming and parenthood.

The club advisor is Linda Fekete.

COE-CIE

The Cooperative Education Program offers an opportunity for on-the-job work experience for eligible students on a part time basis. Trained students, who have specific and definite occupational intentions, attend school in the morning, and work for standard wages during the afternoon.

This year, the program held a Co-Op Breakfast on Feb. 11, to celebrate Vocational Week. Also, a year end activity, the Employer-Employee Banquet, is scheduled to be held at the Farrington Manor on May 7.

FBLA

The Future Business Leaders of America is designed to further student's awareness of the business community and employment opportunities. This years activities included an FBLA regional competition held at Rider College during February, a Valentine's Day Community Project at Princeton Hospital and a second competition held at Cherry Hill.

This year's officers include: President — Sonya Shedlock, Vice-President — Eileen Thorpe, Secretary — Ellyn Grassman and Treasurer — Carol Cornwell. The club is advised by Mrs. Desantis.

Unlimited Few

The Unlimited Few Club is designed to develop black awareness through different types of activities such as trips, concerts, plays, art exhibits, and poetic readings. This year's activities included a trip to see My Sweet Charlie, Dancin', a trip to see an African art exhibit at Rutgers, and a "Disco Night" at the S.B. Recreation Center.

The club's advisor is Mrs. Franka Ralph along with President Diane Thompson, 1st VP Glenn Brokaw, 2nd VP Jason Sherman, Treasurer Hank Moniz, and Secretary Jennifer Humphrey. Their duties include such things as holding regular meetings, and organizing activities.

Universal Club

The Universal Club is headed by advisor Mr. Earl Travers. The club meets every Tuesday and Thursday after school. The purpose of the club is to provide its members with the selection of activities to perfect variable resistance conditioning, produce mental well-being as well as the physical fitness that is so difficult to acquire in other aspects of their daily routine.

Chess Team

The Chess Team is advised by Mr. Lou Mennitt, and consists of Marc Curtis, John Wancy, Mike Riemer, Vincent Wieczorek, Phil Chang, Karl Karmas and Scott Roselli. The team competes in individual matches against various schools in Central Jersey and one on one matches in school competitions. There are also state tournaments in which they compete.

Outdoor Club

If adventure and the great outdoors appeal to you, you should become aware of the Outdoor Club. This club consists of 45 members who have proven themselves in Outdoor Ed. Each month the club goes on various types of trips in NJ and its bordering states.

This years trip included such things as Ocean River Rafting, Schwungunk Back packing Trip, Hang Gliding, Inner-Tubing, Ice-Skating, Skiing, Square Dancing, Bear Mountain Hike, Climbing and Rapelling, and other conservation related activities. And for the most active outdoor club members were 5 days in W. Va. consisting of many strenuous activities.

The club's advisor is Angelo Costa along with Pres. — Mike Eby. Treasurer — Cathy Gallagher, Recording Sec. — Anne Pfeiffer, and Corresponding Sec. — Jill Peterson.

Ski Club

The 1980-81 Ski Club had such a large turn out that the group had to be divided into two sections: A and B. Group A was lead by Jimmy O'Brien and Group B by Marc Bauregard. Each group took three trips a piece to places such as Vernon Valley and Great Gorge.

The club was under the supervision of Ms. Herbst and Mr. Miller.

Valhalla Yearbook Staff

The 1981 Valhalla is designed to represent South Brunswick High School and provide memories, especially for the outgoing seniors.

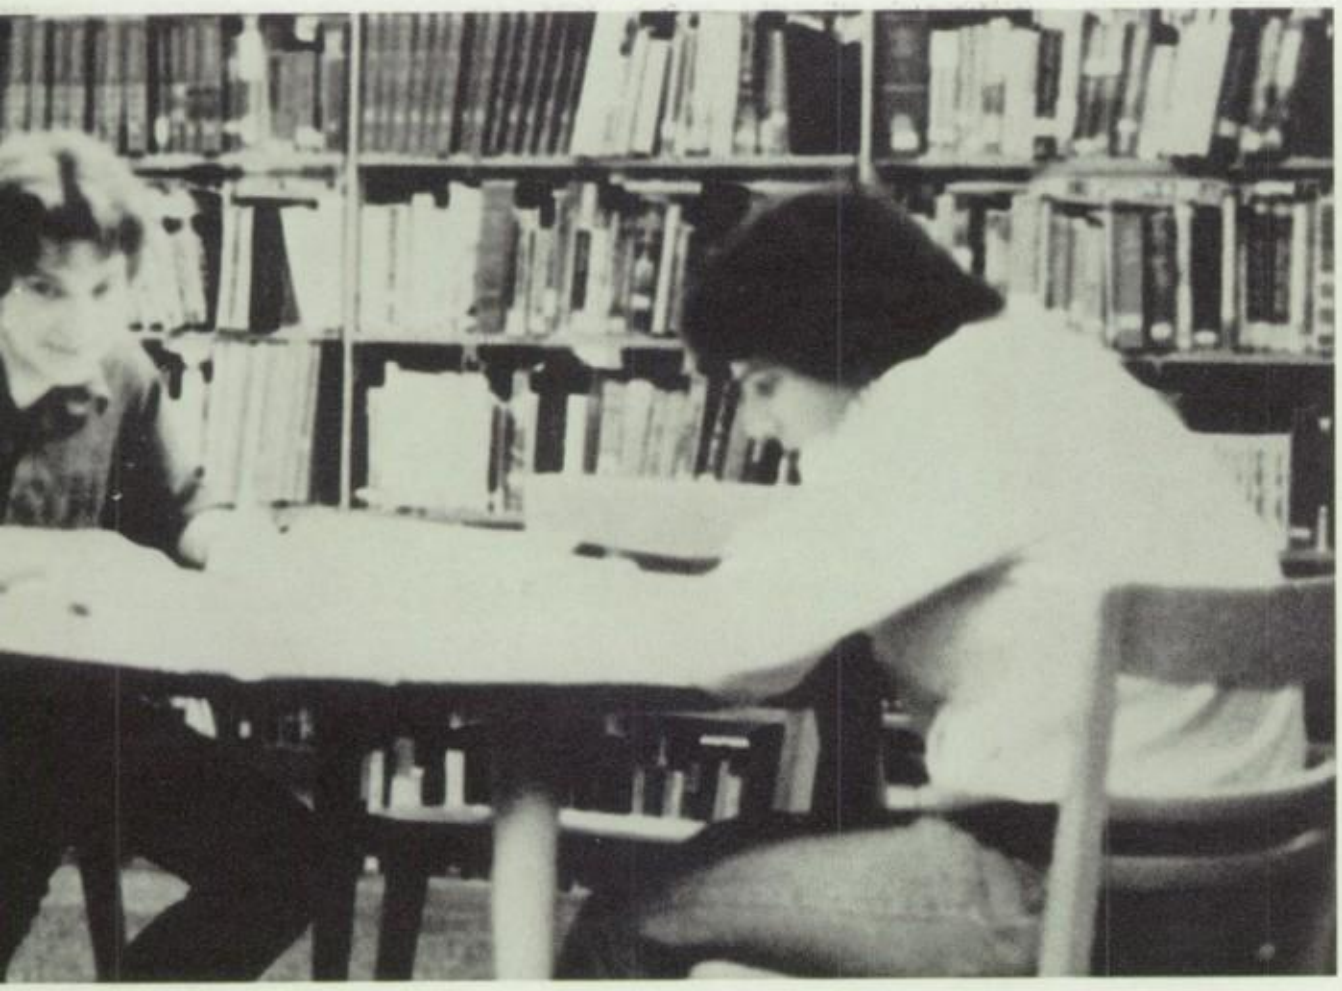
This year's small but dedicated, hard working staff met during a study hall instead of a class for the first time. Having such a small group forced the workers to take on more responsibilities.

Every one took part in designing layouts, getting pictures, writing copy, typing up quad-paks and eventually meeting deadlines that always seemed to come a week too soon.

None of this could have been accomplished however without the expert advice of veteran yearbook advisor Mr. Thomas Queenan and this year's terrific staff.

This year's Editors-in-Chief were Jean Cenci and Laura Fjeldal. They had the job of making important decisions concerning the yearbook's set-up. Other editors included: Sports Editor, Jerry Canning; Senior Editor, Nancy Huthansel; Activities Editor, Denise Dohanic; Faculty Editor, Phil Peterson and Underclassmen Editor, Mitch Hecker.

The Valhalla staff hopes this yearbook will serve each and every student as a fun filled book of memories that will last a lifetime.



Student Council

Henriette Antal — Student Representative to the Board of Education

Student Council is an active organization in which students play an important role in school government, generating spirit and organizing activities which develop closer relationships between students, faculty, and members of the community.

As a result of a great deal of hard work, time and dedication on the part of this year's officers, representatives and committee members, many accomplishments have succeeded.

Among these are: an increase in student participation, more effective methods of communication, more effective relationships between the board of education and the school. Among the activities planned were: Township exchange day, Spirit week, holiday decorations, blood drive, Recognition of Student Leaders, Teacher Appreciation Day, a voter registration drive and many, many more activities.

Viking Press

The purpose of the club is to produce the school paper, The Viking Press. The paper keeps the students up-to-date on the sports and community happenings.

The club's staff consists of Mei Shang, Melisa Strath, Anna Obayaski, Fenny Kuo, Kim Sherman, Doreen Sourota, Laurie Boyle, and Henriette Antal. The club advisor is Ms. Kathy Weber.

Eidolon is a group of students who take great interest in publishing the high quality work of their fellow students. The magazine is open for submissions from everyone in the school. The advisors are Mrs. D'Amore and Mrs. Bronson. The Editor is Robin Schnitzler, Staff members include: Pam Gibson, Adrian Blum, Anna Obayashi, Henriette Antal, Vigi Anantharaman, Cheryl Cohen.

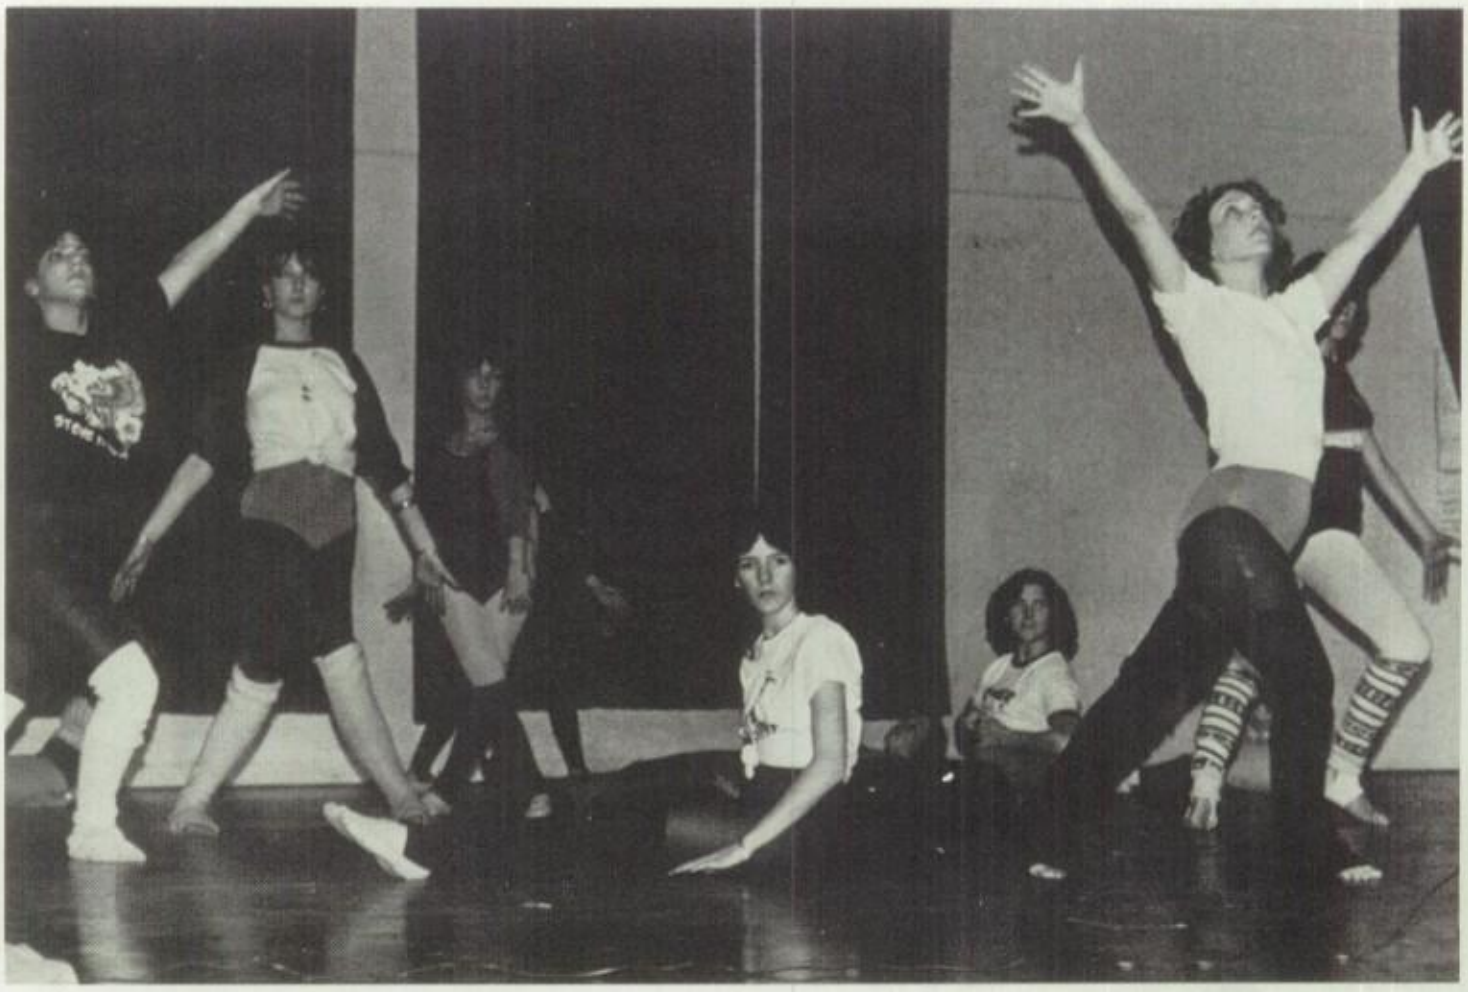
Project Talent

Project Talent Art headed by Mrs. Judy Richards and Dolores Kramp provides extensive and intensive materials and instruction for students who really enjoy and want to pursue art and parallel opportunities to show or display artwork. Some special activities include: portfolio construction, glass etchings, printmaking, Middlesex Teen Arts Festival, and displays at FIAHE.

Project Talent Photography led by club advisor Paul Facciolo exposes students to basic black and white film processes. It is hoped by such exposure that students will develop some aesthetic, as well as technical proficiency in their photographic endeavors. Several trips are planned so students can explore their skills in a number of contrasting environments.

Project Talent Needlecraft headed by Miss Linda Fekete helps students develop an appreciation, skill and expertise in needlecraft areas including: clothing instruction, needlepoint, bargello, and crewel embroidary. Much of the work done in Project Talent Needlecraft is displayed at FIAHE.



Project Talent also includes, Singers, Actors, and Musicians (SAM), and Dance.

Project Talent SAM advised by Miss Zboray is for students who enjoy performing in music, and acting. Short renditions of Broadway plays are performed as well as a 15 minute music review. Some special activities of SAM are, a Crossroads assembly, a performance at Carrier Clinic, the Teen Arts Festival, and a Spring Concert.

Project Talent Dance is supervised by Karen O'Holla, Bonnie Fishbein, and Suzanne Sweeney. Its purpose is to expose students to a variety of dance. All the dancers' hard work is culminated in an end of the year performance.

Overtones

The first offering of the S.B.H.S. players this year was a series of one act plays, *Overtones, Out at Sea*, combined farce, black comedy and drama for an evening of enjoyable theater. Directed by first year drama-theater teacher, Scott Howland. The players were the first of many produced this year. The fine cast of Out at Sea included Mike Austin, Jon Kranz, and Clark Berens, Sean Nunley and Ken Leedom. Overtones showcased the talents of Kacie Drury, Monica Bean, Kim Vetter and Lisa Dascoli.

Varsity Basketball Cheerleaders

This year's Varsity squad consisted of 8 members who were mostly juniors and sophomores. They cheered on the basketball players through thick and thin, and before every weekend game they 'psyched' the team by decorating the locker room. The 1981 cheerleaders became a unit of friends as the season progressed and their spirit generated throughout the school. In February, they represented S.B. at the BAC Competition in North Brunswick. All in all, it was a successful season for both the players and the cheerleaders, one which will be remembered with fond memories.

JV Basketball Cheerleaders

The JV cheerleading squad for this year's season, was made up of 11 freshman girls. Their inexperience didn't hinder their spirit for cheering on the JV team. They worked together as a squad and successfully supported their team. The JV's also entered th BAC Tournament.

South Brunswick rebounds, 20-0

SOUTH BRUNSWICK — Senior Don Godinez ran for 184 yards and junior Joe Pretifilpo added 57 more as South Brunswick rebounded from last week's loss to New Brunswick with a 20-0 thrashing of Lawrence.

The Vikings unleashed a devasting ground attack, rushing for 274 yards and the defense held the visitors in check throughout the game after yielding an opening drive that carried to the Vikings' 10-yard line to post their second win against two losses.

That opening drive was stopped when Lawrence fumbled and Jeff Flanders recovered. From there Flanders directed a 90-yard advance that culminatedin a touchdown when Flanders hit George Moser with a 14-yard scoring strike. The big play in the drive was a 56-yard run by Godinez.

"It was a rough week for me and the kids. A lot of people were grumbling about our play, but this is a tough conference. Just look at some of the scores from this weekend," first-year coach kids believe in themselves."

The South Brunswick defense was tough after Lawrence's opening advance and the Vikings got the ball back after a punt and built a 14-0 halftime lead. Prestifilpo capped a 50-yard drive by diving over from the one and Flanders threw to Moser for a two-point conversion.

Any chance Lawrence had of getting back in the game was dashed when junior Mike Striano, a linebacker in Martin's defense, picked off a misdirected pass from the Lawrence quarterback and returned it 55 yards for a touchdown. A pass failed for a two-point conversion but it didn't matter as the Vikings defense was in command.

Flanders picked up 64 yards passing to give the Vikings a total offense of 338 yards.

NEW BRUNSWICK — Soaked, and knee-deep in mud, South Brunswick slipped past the host team St. Peter's, 14-8 last night under the lights at Memorial Stadium.

The Cardinals and Vikings battled to a scoreless tie in the first half, marred by seven fumbles and 11 turnovers.

South Brunswick fumbled on a second-down and goal in the first five minutes of the game. St. Peter's Vinnie Zullo recovered, but a fumble four plays later gave the ball back to the Vikings.

Football Adjusts Under First Year Coach

Jeff Flanders, Don Godinez, and Dennis Norris named All-Conference

The Varsity Football team finished the season with a record of 3-6 but it could have just as well have been 6-3. Close losses to conference foes St. Thomas and North Brunswick as well as to tough independent Newark Central blemished an otherwise well-played football season.

Senior running back Don Godinez led the scoring for the team with 32 points on five touchdowns. Quarterback Jeff Flanders also had a fine season, throwing for 4 touchdown passes with a 45% completion rate while running for another touchdown and 150 yards. Godinez was also the leading rusher on the team, gaining 560 yards. Joe Prestifillipo was next with 250 yards and three touchdowns, followed by Dave Alexander with 200 yards. The leading pass receivers on the team were Dennis Norris, who made 25 catches, two for touchdowns and another for a two-point conversion, and George Moser who also caught 25 passes while scoring one touchdown and grabbing one two-pointer. The Viking defense was also instrumental to the team's success. The key players included the defensive front of Greg Patton, Mike Wolf, John Himmel, Dave Molee, and Dennis Norris, linebackers Ken Kukfa, and Howard Vagi, and Mike Striano, and halfback Dave Alexander.

Individual honors were also garnered by some members of the team. Godinez, Flanders, and Norris were named to the All-Conference team, while Sassman, Vagi, Norris, and Godinez were named to the All-Suburban first team. Moser, Striano, Alexander, Wolf, Patton, and Flanders were named to the All-Suburban second team.

Coach Peter Martin said "The team played basically sound football, although losing three very close games. Injuries to seniors also definitely hurt the team."

J.V. Football Shows Promise

This autumn the J.V. Football team played an abbreviated schedule and compiled a 1-3-1 record. The win came against St. Peters by the score of 24-13, and the 6-6 tie was versus New Brunswick. A lot of the players also participated in the varsity games, due to the relatively small roster, and this meant that they only had one day of rest in between games.

The players who were looked to when the ball had to be moved upfield were quarterbacks Mark Fjeldal, and Mike Striano, running backs Joe Prestifilipo and Dave Alexander, and receivers Rich McNaboe and Doug Stout. Lineman Dave Molee and Greg Patton were the lead blockers for the team. Alan Jensen, Tim Huizing, Dennis Fedechko, and Patton made up a tough defensive front, Molee anchored down the linebacking corps, and Mike Bernardo split time between linebacker and defensive back.

The team was coached by Hal Brewer, Russell Young, and Jay Hackworth. Coach Young commented, "I give the team a lot of credit for playing as well as they did. Even though our record was 1-3-1 the team played tough, they never quit when they were behind. They gave 100% and played their hearts out, which just shows the character of the players and only means good things are to come for South Brunswick football."

SOCCER WINS BAC, GOES 15-2-1

Ken Roberts leads the county, sets school record for goals

The Varsity Soccer Team completed another fine season this year with a final record of 15-2-1, while going 12-0 in BAC play. The team successfully defended their BAC championship title, as well as garnering many individual accomplishments. The most prominent was the goal scoring feats of Ken Roberts. Ken broke the school record for goals scored, when he knocked in 31. He assisted on ten others. Patsy Valentino scored eight goals and was the assist leader with 13 while Steve Varga and Tom Appleby each scored seven goals with four assists. Defenseman Steve Haas scored six goals with six assists. The teams outstanding defense was led by seniors Tyler Craig, and Carl Kraus as well as juniors Hass and Chris Louzoi. Chris Casarona was the starting goalie, giving up only five goals all season with a 0.28 goals per game. Martin Strumpf also played well in the net. Ranjan Sinha, Ken Jones, Bob Siegel, Mitch Hecker, Bob Sabin, and John Stafford allowed Coach Nyitrai to use his bench without having to worry about bad play.

Ken Roberts, Chris Casarona, and Tyler Craig were all nominated to: The Trenton Times All-Area poll, the Middlesex County all-star team, and the All-Conference team. Patsy Valentino and Carl Kraus were also on the All-Area team, as well as the BAC team.

Coach Lazlo Nyitrai summed up the year by stating "We once again enjoyed ourselves this season. We successfully defended our conference championship and we plan to do it again next season."

J.V. Soccer Follows in Varsity's Footsteps

The J.V. Soccer team's 12-3-1 record reflected the outstanding quality of the varsity squad, as many well-equipped players were forced to be kept down on the junior varsity level. Led by captains Steve DiGianno and Andy Prouty, the team scored important wins over St. Thomas, North Brunswick, and Montgomery.

A combination of a good offense and stingy defense led to the team's success. Junior Dave Larsen was the leading scorer with 12 goals and 11 assists. Prouty knocked in eight goals, and was followed closely by Brian Weber, who tallied seven. Leading defenders included Paul Crane, Kevin Hoppes, Jim Meade, Ed Prinka, and Jon Reil. Goalies Bill Moss and Prouty, who split time between goal and offensive wing, proved to be tough to beat as they shared play in the net.

Coach Santo Bonfilio commented "As a first year coach I was fortunate to inherit a good group of boys from former J.V. coach Bill Gray. It was good hard work and love of soccer by the boys themselves that led to their success."

Boy's Cross Country Wins BAC Championship Race

Joe Bortono, Marcus Bosenberg, and Bill Craib lead the pack

This fall the Boy's Cross Country team captured the BAC Championship Race title for the first time. They did this by defeating their closest rivals, Highland Park and St. Thomas. The Vikings avenged earlier dual meet losses to these two teams, as they had lost to the Owls by three points, and to the Trojans by one in a controversial finish. Still they were able to run up an 8-4 slate on the season, highlighted by wins over Woodbridge and North Brunswick and a perfect shutout of St. Pius, in which eight Viking runners tied for first.

Head coach Brian Young said "Winning the Bac Championship Race was our major goal, and from that standpoint the season was a success. With a couple of breaks we could have gone 10-2, but injuries held us back from having a more successful season."

The top three runners on the squad this year were seniors Joe Bortono and Bill Craib, and sophomore Marcus Bosenberg. This trios' times were quite even, as displayed in the BAC Race. The three placed 5th, 6th, and 7th on the 3.1 mile course and they were all within a single second of each other. They continuously placed in the top five in dual meets as Joe placed first for the team seven times, Marcus seven times, and Bill six times.

Four more runners who were key elements to the team's success were Ira Nevins, who showed continuous improvement throughout the season, Stephan Konopka, who placed 14th in the conference race, Bill Malinowski, who placed third for the team in the Central Jersey Meet, and Jim Kellar. Jeff Trent was able to place a high 16th in the conference race, Al Bortono followed in the family way by placing an impressive 18th, and Jerry Canning placed a respectable 21st. A key to the team's victory that day, and to their successful season, was their depth, as several runners were able to contribute in different situations.

Freshman Mike Canning and Craig Hrinkevich established themselves as runners to be reckoned with in the future, when in the Middlesex County Freshman Invitational Mike placed 8th and Craig 17th. These talents, plus those of Trent, Bosenberg, Al Bortono, and Malinowski promise the cross country team success in the upcoming years.

Girls Cross Country Has Best Record in Years

Freshman Sensation Sheila O'Brien tops all

The Girl's Cross Country Team completed its best season in years, and things only look better for next year, as all of the team should be returning. The squad finished with a 7-5 dual meet record and a third place finish in the Bicentennial Athletic Conference meet.

The team was led by Freshman Sheila O'Brien, who traveled to the Group II State Championships, where she placed 10th. Some of her other accomplishments included: winning the BAC race, placing second in both the Central Jersey Group II meet, and the Middlesex County Championships, and winning 11 of 12 dual meets, losing only to the Mercer County champion. She also earned a 51st finish in the State All-Group meet, which featured the top harriers in New Jersey. This is the first time a South Brunswick girl has ever dominated the sport throughout the area as she did.

Other very important runners in the girls' winning season were Sophomore Laura Jarusik and Freshman Clarissa Meyer. Laura finished 12th in the Conference race, while Clarissa placed tenth. Wendy Kertesz and Meredith Thompson also fared well this year. The fact that there were only five girls running on the team made their record that much more impressive because every girl's place counted in the meet score.

Coach Brian Young said "The girls ran very well, and with three of the top conference runners returning for the next two years, the team can look forward to success in upcoming seasons."

Young Varsity Field Hockey Team Works Hard

Ann Dowgin receives All-County notice

The Varsity Field Hockey team finished the season with a disappointing record of 1-11-2. However, as Coach Theresa Purcell said "Every player was always optimistic and played her best."

Despite the team's poor record there were some important team and individual accomplishments. The leading scorers were Junior Bridget Shurig, who scored four goals on the season and Valerie Harmon, who scored one. Goalie Amy Gildenberg let up only 50 goals while making 156 saves. The team did manage to beat a good team in the East Brunswick Bears, when they won by the score of 1-0. The defense that led the team to this victory was headed by Juniors Mary Beth Burke, Gail Schwartz, and Dana Rudemann and Senior Anne Pfeiffer. Junior Ann Dowgin had the higest individual honor on the team when she was Middlesex County Honorable-Mention.

Coach Purcell noted "We are looking forward to a winning season for the varsity in 1981, in that most of the team is returning and many of the team members are attending camp this summer."

J.V. Field Hockey Works Toward Future

Like their Varsity counterparts the J.V. Field Hockey team finished with a disappointing record. 0-10-1 was the final slate for this year's J.V. squad but there were some bright spots. Sue Homoki and Ruth Pfeiffer had profitable years with Sue scoring two goals and Ruth scoring one to lead the team in that department. Allison Burke, Carol Cornwell, and Hope Visconti were the leading defenders for this year's Viking team. The Freshman duo of Priscilla Smith, who made 44 saves, and Marilyn Moser, who made nine, handled the goaltending.

Coach Bruzowski had this to say about this year's squad: "All the players improved considerably and the record is truly not indicative of the effort the players showed. Every one contributed equally to the team and next year looks to be a promising one."

Girls Tennis BAC Co-Champs, Best Record Ever

Andrea Crapparotta, Maria Mastindino combine for 19-1 record

The Girl's Tennis team finished an outstanding 17-3 season this fall. The three losses came to the outstanding teams of North Brunswick, East Brunswick, in the county tournament, and to Princeton in the State tournament. The team was a co-winner of the Bicentennial Athletic Conference crown, sharing it with the North Brunswick team.

The senior tandem of Maria Mastindino and Andrea Crapparotta finished the season at first doubles with a 19-1 record the best of any girl, singles or doubles, in the history of the team. This, of course, was the best record on the team but the good news is that the rest of the starting girls will return next year. Ellie Ann Nicholas was the team's first singles player, and not only was she the first freshman to ever play first singles, she also finished the season with a 15-4 record. Sophomore Dot Kukfa played second singles with a 9-11 record against some very tough competition. Sophomore Shelby Citron finished the season 14-4 at third singles while Juniors Regina Franco and Gayle Berkery finished 14-2 at second doubles.

Coach Tim Wright said of the season "The results were quite pleasant surprises, considering our experience when the season began" (only three of the girls had played varsity regularly the year before). The girls improved as the season grew, as evidenced by the fact that they lost their first match to North Brunswick 5-0, but came on strong in the next meeting to grab hold of the BAC title. The future looks very bright indeed for the netwomen with five of seven firls returning next year.

Freshman Football Shows Promise

The Freshman Football team had a fine season this year, headed by coaches Lou DeToro and Ray Tucholski. Quarterback Scott Hvozdovic and running back Mitch Bindell as well as tight ends Jim Grmek and Rob Rotolo led the offense. The team finished the season at 4-4 but was 4-1 at the halfway point of the season. They started the season with a big 14-8 win over Princeton and kept right on going, beating Highland Park 14-6, St. Pius 28-0, and Lawrence 28-16. Running back Haden Humphrey was hurt in the middle of the season and he was just one of the major injuries that hurt the team this year. A big asset to the team was their defense led by linebacker Anthony Pante, cornerback Allen Frock, and nose guard Shaun Sweeney.

Coaches Tucholski and DeToro had nothing but praise for the players, stating "It was an outstanding season because the kids were coachable and enjoyable to work with."

Frosh Soccer Experiences a Learning Season

The Freshman Soccer team went through a learning season this fall, as they compiled a 4-12-1 record. Ed Atanda was oked to for offensive firepower, as he was the leading scorer with 11 goals. Other offensive leaders were George Kuo, on Bacher, Keith Nelson, and Skip Beyrouty. Goalie Neil Doscher kept the team in many games with his outstanding ay in the net.

Coach Dennis Duttry summarized the season by saying "Once again it was a year of taking on highly skilled opposition. was a rewarding season in that we learned a lot about soccer while playing against better teams."

Varsity Basketball Excels

Glenn Brokaw, Dennis Norris shoot team to top

The Varsity Basketball Team reached many unexpected goals this year. They ran up a regular season record o 16-5, the best record in five years. On January 16th their record stood at 4-5. That night in Highland Park they begar a win streak that continued for the duration of the regular season. When the post-season began, the win streak stoo at twelve, a school record. (Due to the printing deadline, the team's finish in post season play could not be include here.) Much of their success could be attributed to their excellent defensive play, as they placed second in the coun ty in total defense. Season highlights included capturing the Hillsborough Christmas Tournament title and placin third in the BAC. This third place finish came after a 1-5 start in conference games. Key victories included a wi over New Brunswick, 79-56. This was on the Zebra's home court, the first time the Vikes have won there in years Probably the most important win came over St. Peters. After losing badly earlier in the year, the team was able t upset the Cardinals, 48-46. At the time they were rated 12th in the entire state by *The Star Ledger*. Other impressive victories came over North Brunswick twice, Spotswood, and St. Thomas.

The team leaders were captains Glenn Brokaw, Dennis Norris, and Ken Kukfa, all third year varsity performers Glenn came into his own this year, averaging 15.7 points per game. His improved defense also helped the team's ef fort. Dennis, who scored over 800 career points, became a better passer and team player, and also was second on th team in scoring, averaging 14.8. Ken was the squad's toughest defender, as he usually matched up to the opposition' best scorer. He also hit three key jump shots in the fourth quarter to help knock off St. Peters.

Senior Chris Casarona was a strong rebounder and shot-blocker, and he also showed a big improvement in hi defense. Ken Roberts controlled the team at guard, and was the leader in offensive charges and "hustle points." Junior Brian Ward was the third leading scorer, averaging 10.1 a game. He also shot 57% from the field. Senior Ke Walden, the bench leader, was the top foul shooter, hitting 78% from the line. Juniors Jeff Trent and Jim Carne were guards who filled in when asked to. Pete Clute subbed in admirably when Norris was shelved with a leg injur early in the season.

Coach Al Balcomb, who raised his career record to 233-144, stated "This was a great bunch of kids to work with They all worked extremely hard. Improvement has been the name of the game, in passing and defense. When these come around, the wins started coming.

J.V. Basketball Runs Up 15-7 Slate

The Junior Varsity Basketball team won 15 games and lost 7, winning nine of their last thirteen. They were selected to participate in the Hillsborough J.V. Holiday Tournament and also the East Brunswick J.V. Tourney. Key victories came against St. Peters, who was 19-1 at the time, and South River, which always has a talented J.V. team. The team played excellent defense, holding opponents to an average of 42 points per game.

Junior Gabe Cudjo led the team in scoring, averaging 8.8 points per game. He also led the team in steals Paul Pietrafessa was the other top scorer, as he played an outstanding second half of a season. Jeff Trent controlled the team from the point guard position, and he led the team in hustle points. Sophomore Dave Molee was an outstanding man on the boards, as were Scott Sloan and Monty Gallant. Andy Prouty and Paul Casarona were able to come off the bench and hit key buckers. Dave Marotta and Brian Weber were two sophomore ball handlers who played while when called on, and Bill Malinowski and Jim Meade were two hard-working reserves.

Coach Ed O'Brien, in his first year as J.V. coach at South Brunswick, cited "Excellent team defense as the key to this years team." He felt "When the team played defense the way it was capable of, they could beat any team in the conference. They worked very hard this year; at times I was very proud of them, at other times quite upset with them. But overall, I knew that I was dealing with players that I respected, which made it an enjoyable season.

Varsity Wrestlers Place Second in the County

"Murderers Row" proves to be awesome

The Varsity Wrestling team finished one of its best seasons in history with a final record of 11-1, while going undefeated (7-0), in the conference. Some of the teams several accomplishments were a second place finish in the Middlesex County meet, a first place finish in the early season Colonia Tournament, for the third straight season, and a first place finish in the BAC, for the second straight year. Coach Lazslo Nyitrai raised his career coaching record to 153-53-3, which figures out to a nifty .743%.

Beside the team accomplishments there were many individual feats achieved as well. Freshman Art Tibaldi wrestled Varsity in his first year at the 101 weight class. Bob Seigel finished with a record of 15-3 while placing second in Middlesex County. Patsy Valentino completed his fourth year at the Varsity level with a seasonal record of 13-3 and a fourth place finish in the County. Todd Higgins finished with an 8-3 record, and sophomore Paul Crane finished 5-5-1. The "Murderers Row" followed Paul in the lineup, starting with his brother Ron Crane. Ron finished with a 17-1 slate this year and owns a 36-5-1 career record. Ron finished a narrow second in the County Tourney. At 141 Dan Del Bagno also finished second in that tournament, and on the year recorded a 13-1 mark. Paul Leventhall was still another second place finisher in the County, and he ran up a 17-1 record. Ira Nevins wrestled in the 158 spot and also finished second in the entire County. His record was 15-1. Carl Kraus was the final wrestler in "Murderers Row." Carl also garnered a second place County finish, and had a 14-1 record. He was undefeated in dual meets his junior and senior year. Bob Dawson finished 5-3 in the 188 weight class while junior Bob Schiff was 7-6 at Heavyweight. Mitso Kydonieous also saw time in the latter slots.

Several Viking wrestlers had good chances in the State Tournament, as they advanced eight wrestlers to the Regionals, an unusually high number. (Due to yearbook deadlines, the regionals and state results could not be printed here.) As a team the Vike's placed second in District 21. Bob Siegel, Patsy Valentino, Ron Crane, and Carl Kraus all captured District championships. Crane did it by revenging a county final loss to Karl Lawnick of South River, who was undefeated at the time. Valentino also avenged a county loss to East Brunswick's Nick Milonas, pinning him in the third period. Second place finishers who also advanced to the Regionals were Del Bagno, Leventhall, Nevins, and Dawson.

J.V. Wrestlers Impress With 9-3 Record

The Junior Varsity Wrestling squad, coached by Mr. Tom Flanagan, concluded its 1980-1981 campaign with a record of 9-3. This successful season was highlighted by victories over Hightstown and South River.

Individually, it was a very prosperous year for Joe Kardos, Joel Nevins, and Matt Talarick. Talarick finished in second place in a Novice Tournament, while winning the Colonia Tournament at the beginning of the year. Kardos also won the Colonia Tournament and placed fourth in the Novice Tournament. Nevins took second place in the Novice Tourney.

Also placing well in the Novice Tournament were Greg Patten — second; Dalton Featherston — third; Spencer Craig — fourth; while Luke Canestri also won in Colonia.

With these accomplishments behind them, the J.V. wrestlers of this past year, should bring the Varsity squad much success in years to come.

Girls Winter Track Shows Dedication

Sue Drayer, Sheila O'Brien, Donna Moreen shatter school records

The Girls Winter Track team did not have any official dual meets. This left the girls in a very tough position. But they did work out all year and ran in the boy's meets. They also participated in championship meets. These led to new school indoor records in the following events: In the 55 meter hurdles Donna Moreen ran a 10.1; Sheila O'Brien raced to record times in the 800, 1500, and 3000 meter races; and senior Sue Drayer set a mark in the 400 with a time of 67.2. Sheila finished 10th in the State Group II Championships with her time of 5:19.4 in the 1500. Other team members were Cheryl Cotta, Tracy Carneglia, and Monica Lyons.

Coach Brian Jost commented, "The girls worked very hard this winter and all the records that were broken was evidence of this. It was difficult at times because of weather, and lack of meets, but they stayed with it and benefitted from the experience."

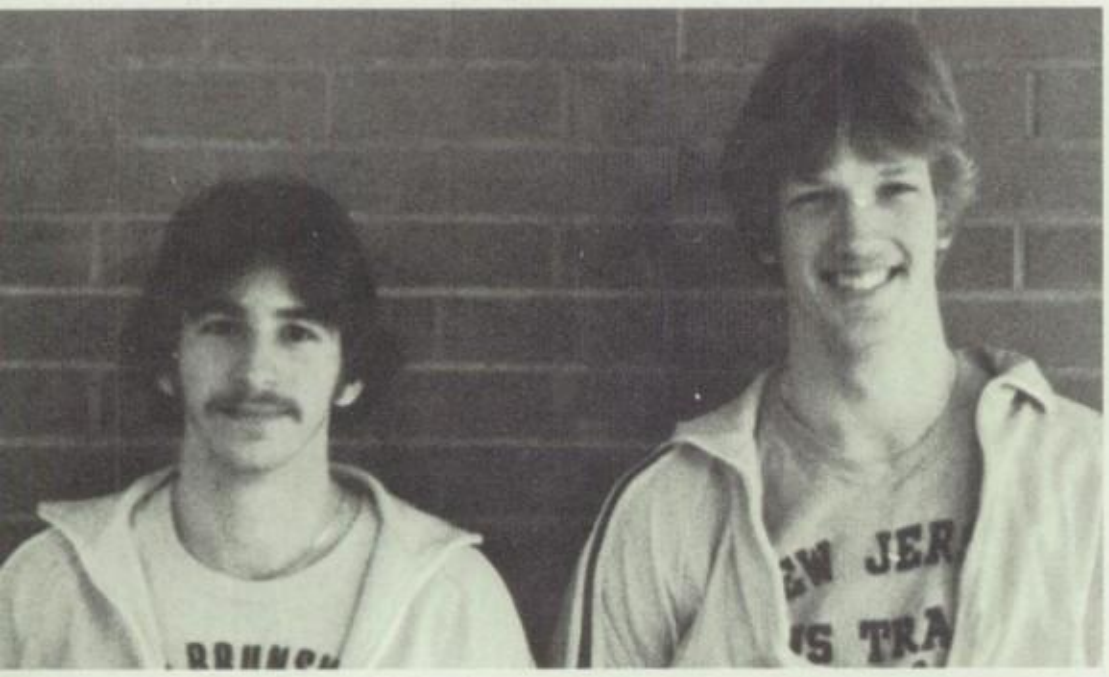
Boys Winter Track Places High in Conference

Mike Sassman high jumps a record 6′6″

This year's winter track squad compiled a 4-6 dual meet record. They missed a .500 season by one point when they fell to Highland Park 38-39. Key team victories included wins over conference foes St. Thomas (53-24), New Brunswick (47-30), North Brunswick (45-35), and South River (42-34). Two of the losses were to county powers Sayreville and Piscataway. Pete Warner, a seasoned track coach, remarked, "It was a fine season. The kids conduct was great, but unfortunately we lacked in numbers and this hurt us."

The leading performer on the team was senior co-captain Mike Sassman. He and Kevin Negron started off the season on the right foot when they took second place in the East Brunswick Relays in the high jump relay, combining for 11′10″. In the State Group II Relays Mike and Kevin tied for second again, this time leaping a combine 12′4. Also, in that meet the Shuttle Hurdle Relay team of Mike, Dave Larsen, Mike Rielmer and Kevin Negron captured fourth place medals. Sassman won the high jump competition in the conference meet, took first place in the 60 yard high hurdles, and placed third in the shot put. Also placing in that meet were Larsen in the hurdles, Nick Sferrazza in the 60, Marcus Bosenberg in the mile and co-captain Joe Bortono, John Reil, Larsen, and Norman Zboray in the mile relay. Overall, the team took second in this meet.



Co-Captins — Joe Bortono & Mike Sassman

In the Middlesex County Relays, once again Sassman led the way. He and Dave Laresen took fourth place in the high jump, and he, Larsen, Reimer, and Bortono bagged the fifth in the hurdles. In the County Open meet Sassman jumped 6′6″ to place second. Mike capped off an excellent season once again. The jump established a school record and this standard could stand up for a long time.

Girls Basketball Lacks Experience

Val Harmon is team's leading scorer

The 1980-81 Girl's Varsity squad, coached by Aloyse Holman, experienced a disappointing season of 1-19. The relatively young squad with only two seniors, highlighted their season with a 65-55 victory over South River.

Co-captains Val Harmon and Gayle Berkery led the offense. With 193 points, Harmon led the team in scoring. Sophomore Shelly Spriggs also stood out on offense with her sharp shooting.

The hustling defense was led by junior guards Ann Dowgin and Gayle Berkery. Under the boards sophomore Dot Kukfa pulled down the rebounds to lead the team.

Senior point guard Jean Cenci, junior guard Gaye Stevens, forwards Betty Eng, Shari Bauman, Dawn Hague and freshman Suzanne Luna improved their skills throughout the season to round out the Viking squad.

Despite the girl's losing record, they showed great determination and team work and hope to improve their record in future years.

Girls Junior Varsity Give Their All

The girls Junior Varsity Basketball team suffered through a losing season, winning only one game. But it is a tribute to the girls that they finished the season with a full squad, as they all refused to give up.

The squad was captained by Marianna Washko and Donna DePinto. Sophomore Tina Luna was the squads high scorer. Another offensive standout was Jennifer Humphrey, who showed steady improvement throughout the entire season.

The team's big victory came versus St. Pius, when they knocked off the Bruins in overtime, winning 34-31.

Coach Carolyn Massey pointed out that "It was tough to go out and play against teams that we knew were bigger and better, but the girls had great attitudes and always gave me their best. It was a pleasure to work with them."

Frosh Basketball Players Begin Careers Successfully

This winter the Freshmen basketball team posted an 11-8 record. This was the best record for a freshmen team in six or seven years. The team was selected to play in the St. Peters Freshmen Invitational, and in the first round upset highly seeded St. Josephs 59-56. In the second round they were less fortunate, falling to second seated Piscataway by six.

Second year coach, Bob Cleffi pointed out, "It was a big squad, so everyone didn't get the playing time I would have liked. But every player was able to contribute in different ways." He also noted, "I feel we improved over the year. This is shown by our two games against St. Peters. The first time we played them we lost by 21, and a month later we only lost by one point."

The team was captained by Craig Hrinkevich, Haden Humphrey, and Anthony Pante. Anthony Pante was the team leader in scoring, averaging 11 points per game and he was followed closely by Scott Hzodovic, who hit for nine a game. John Briody, the most improved player on the squad, rounded out the starting five. Coach Cleffi pointed out that Andy Taffin, the squads sixth man, showed the most enthusiasm over the season. Adam Ticson also saw some time at point guard. The strong bench included Skip Beyrouty, Jack Schwetje, Cliff Lieggi, Jack Yaros, John Gorman, Mike Channing, and Steve Waldron.

Freshman Wrestling Shows Individual Talent

The Freshman Wrestling team finished a disappointing season with a record of 2-9-1. But the team, coached by Santo Bonfilio, had several individual awards garnered by its members. Art Tibaldi moved up to the Varsity 101 weight class. Mike Kordusky finished first in the prestigious Piscataway Freshman Tournament. Werner Braun finished with a 7-3-1 record. Jon Rudemann finished with a 7-2 season, while placing fourth in the Piscataway Tournament, and John Camo had a fine 7-4 record and also placed fourth in the Piscataway Tourney. The team had many of their team members injured or quitting, which left them with only eight wrestlers for most of the year, which hurt the team in dual meets.

Front Row S. Turkheimer, E. Mendelowitz, A. Tibaldi, M. Korduskey, B. Nutter, M. Ritt, W. Braun. *Back Row:* M. Bindell, A. Sassman, J. Rudemann, J. Polson, B. Camo, N. Jacobs, Coach Bonfilio.

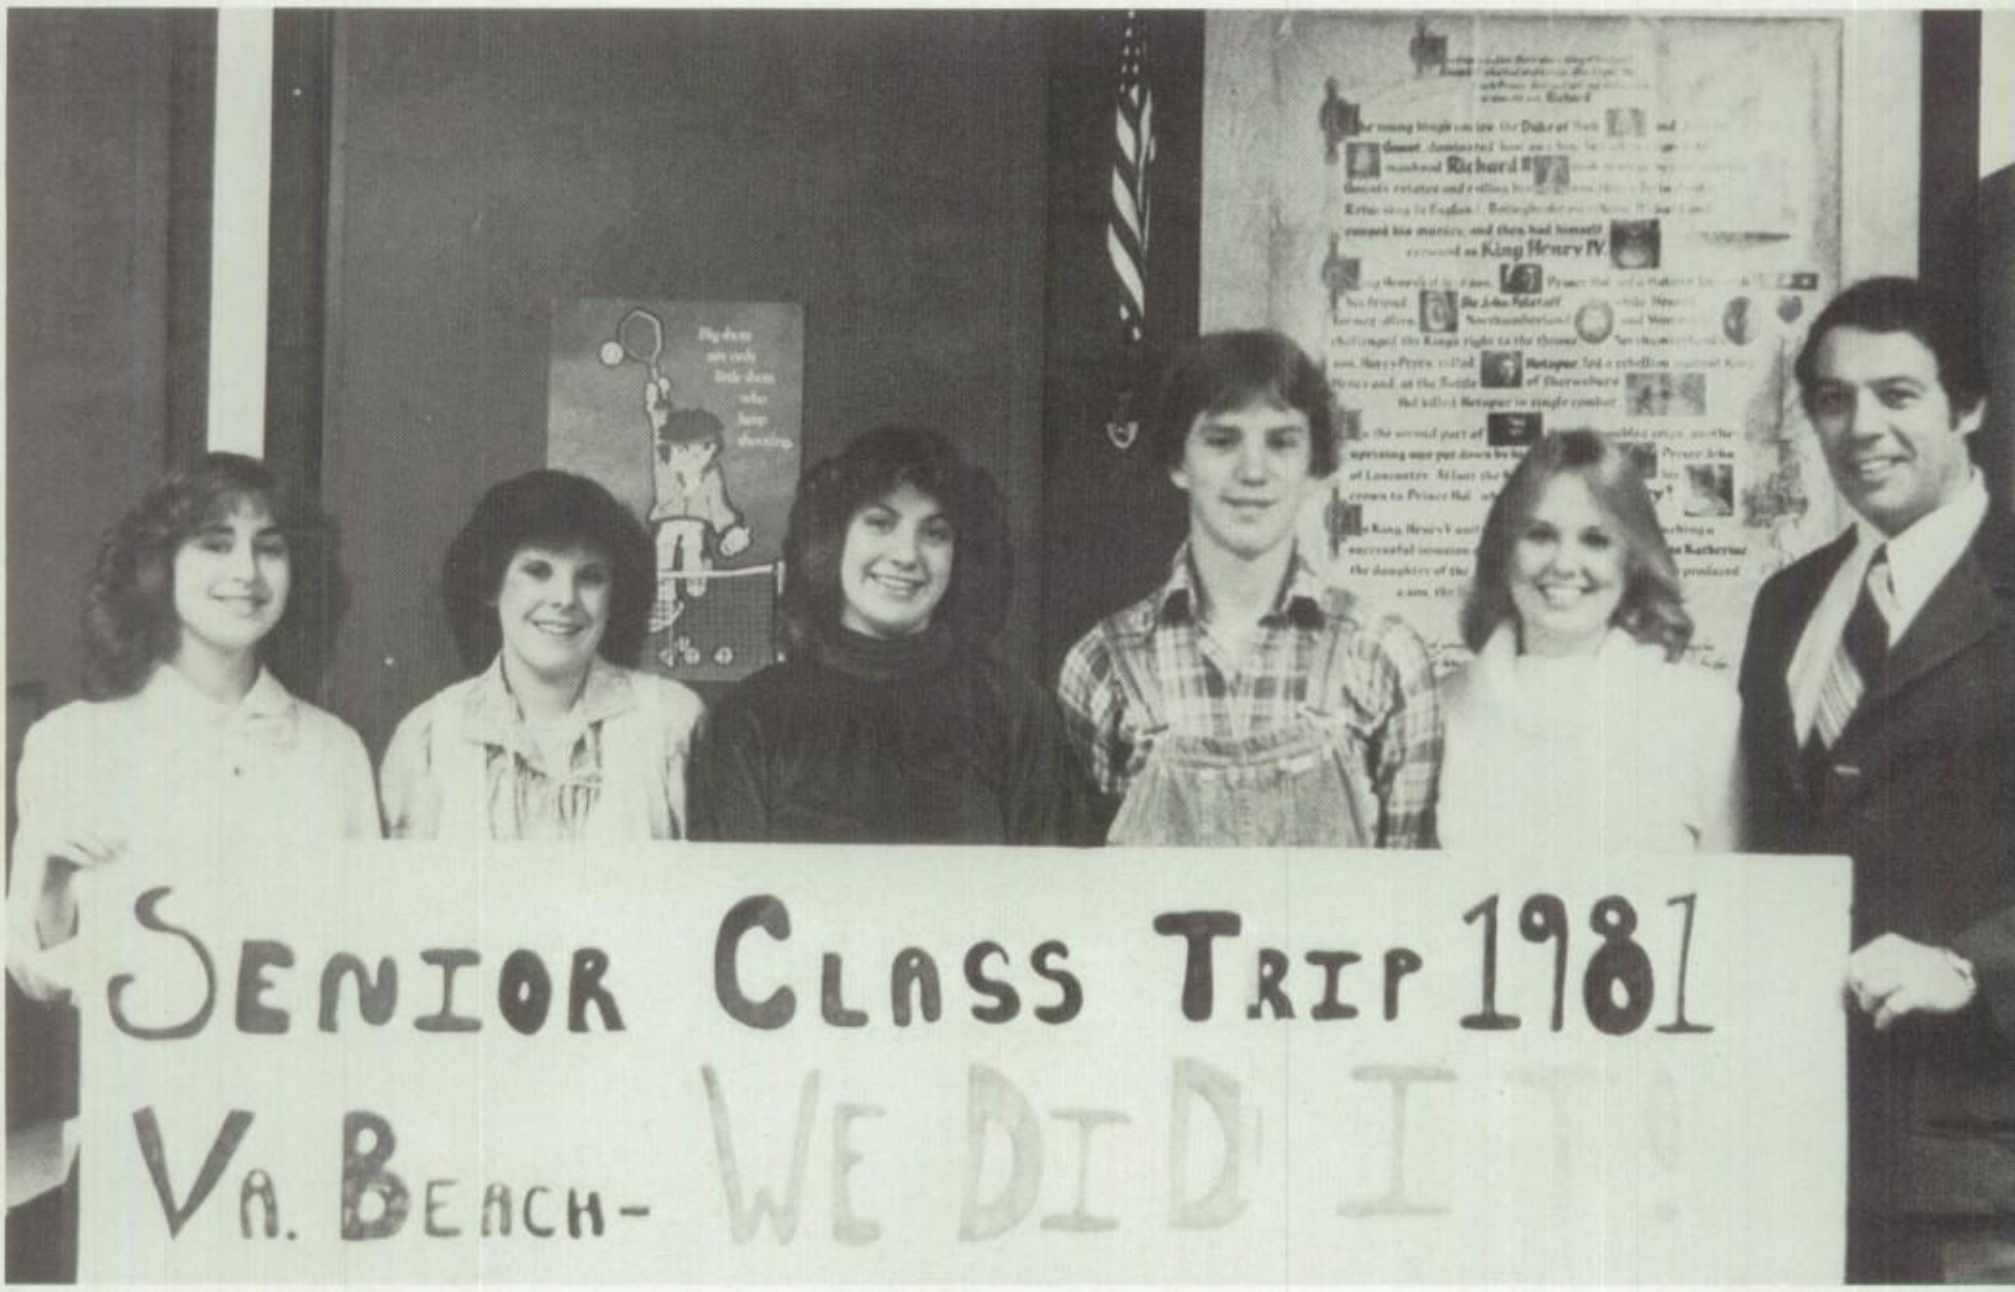
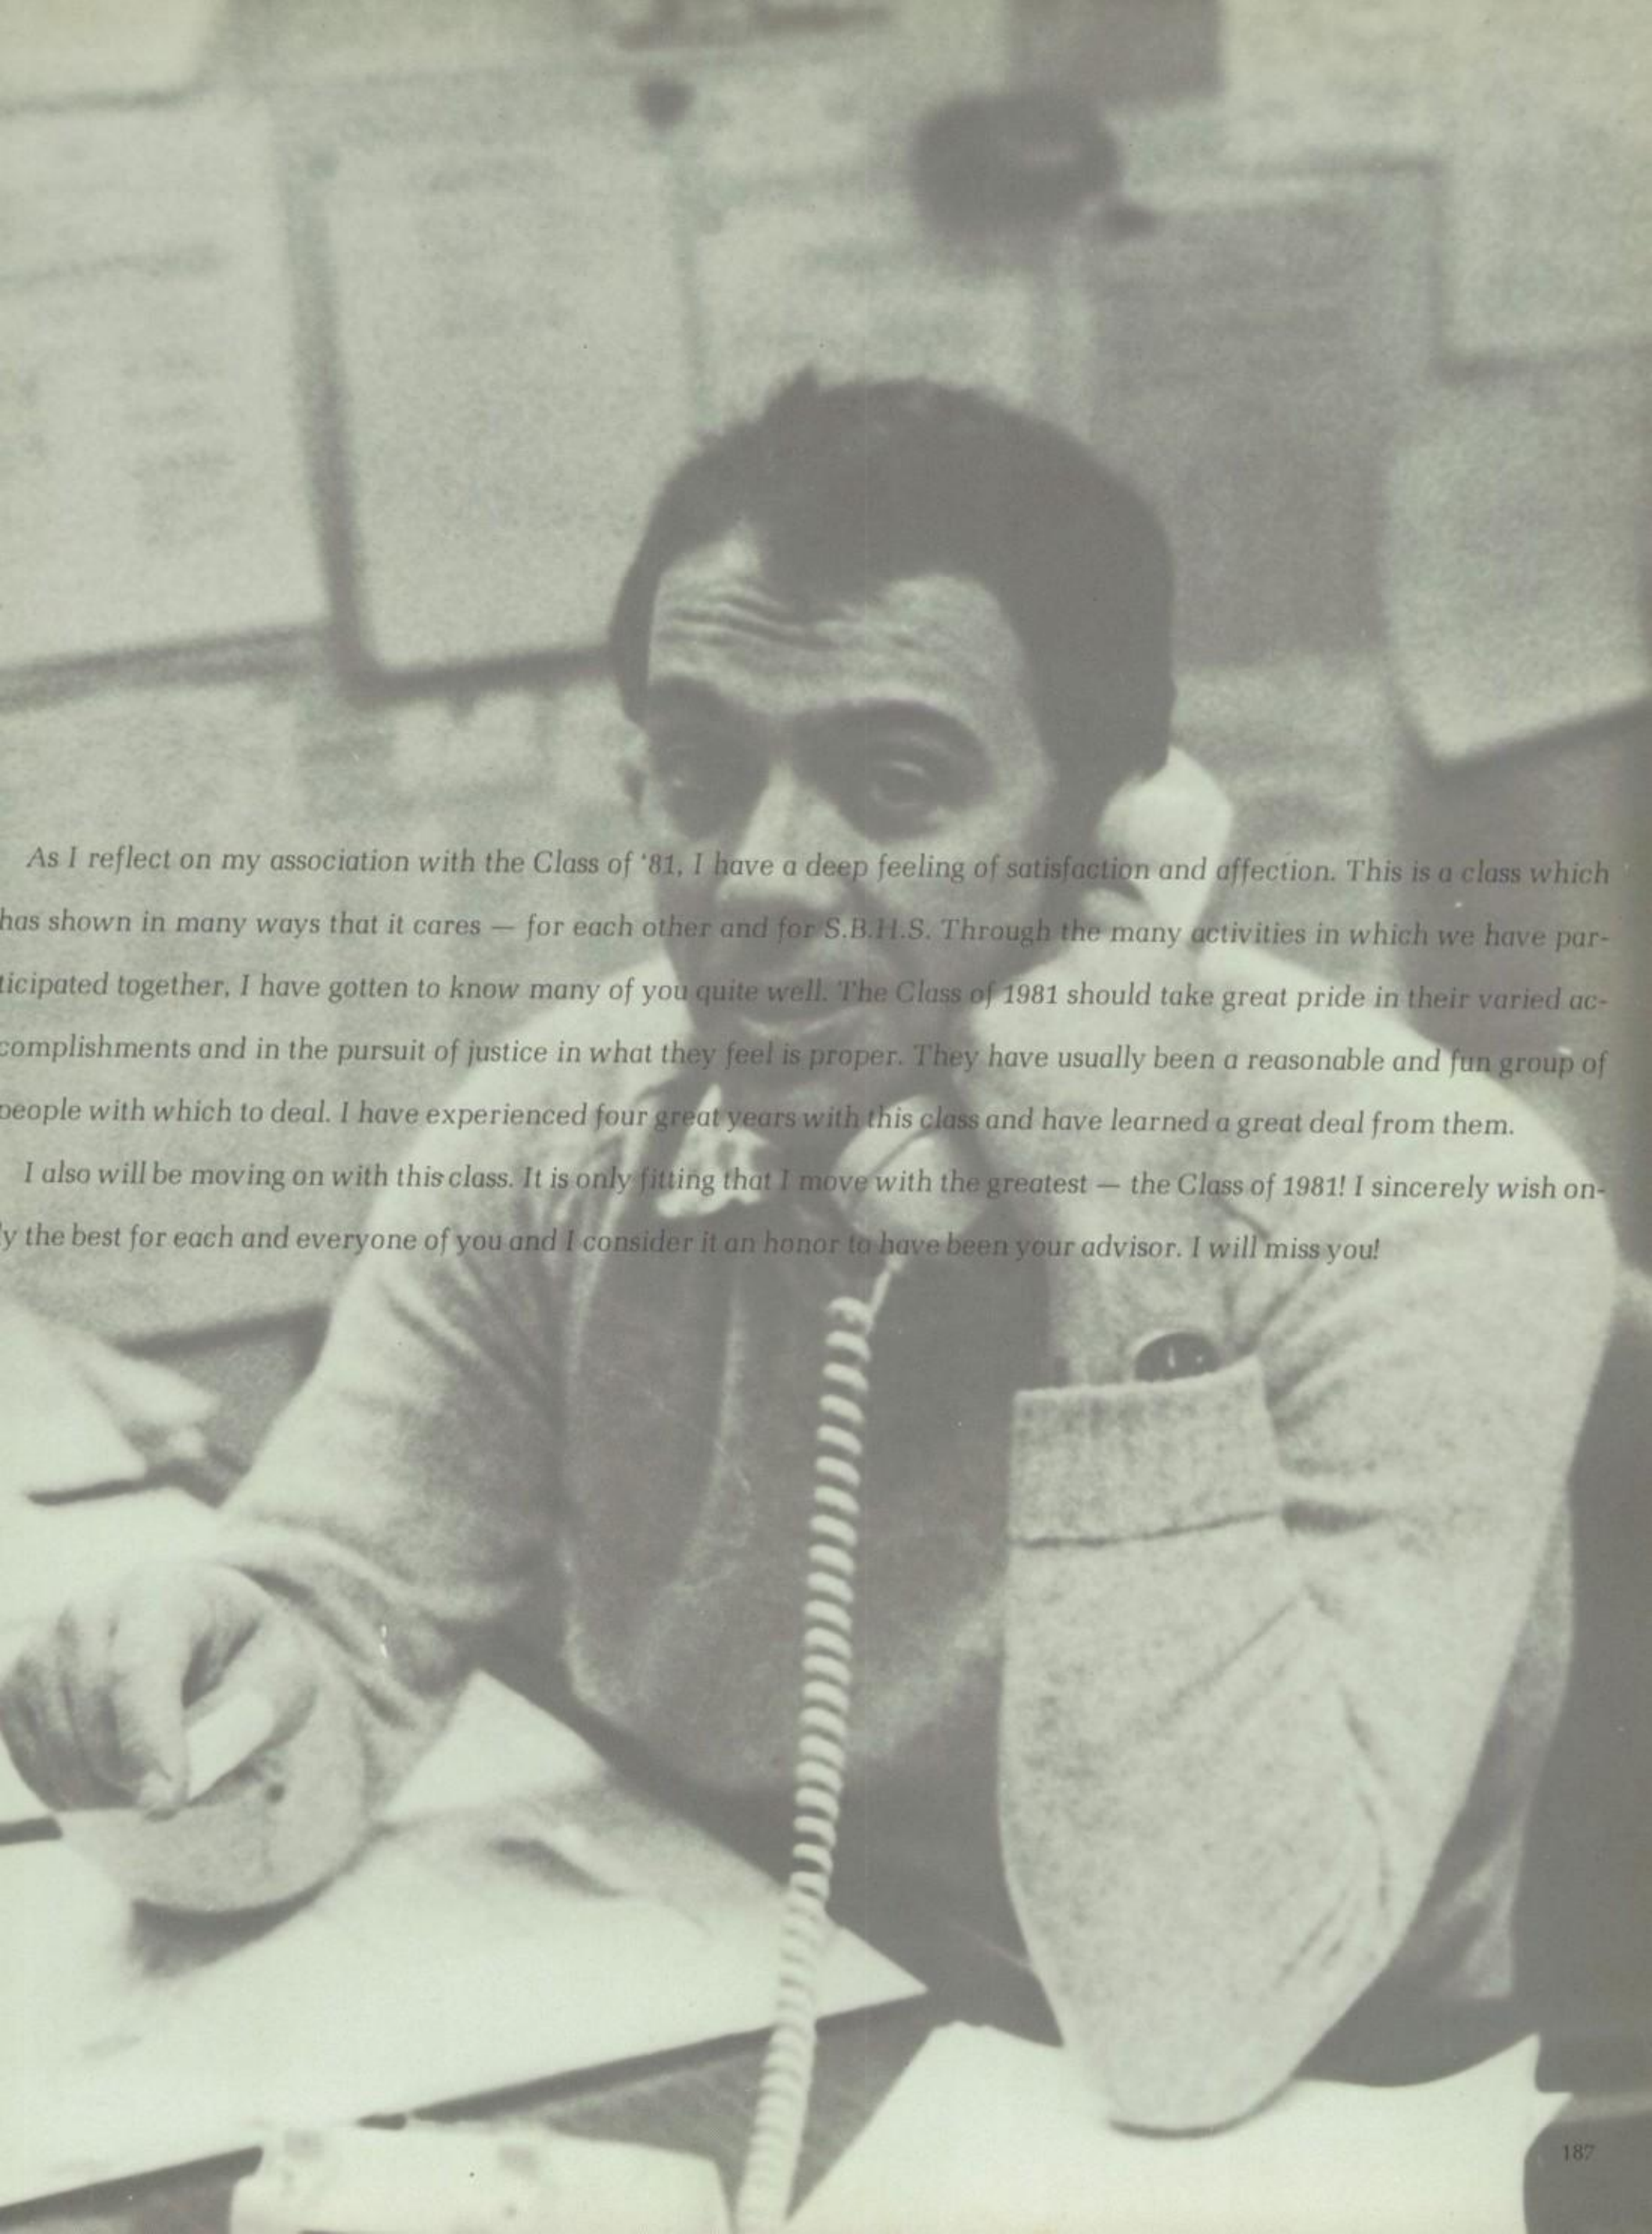
Class of 1981, Officers



Officers are *From L to R* Treas.: Judy Franco; Historian, Beth Farley; Pres., Carolyn Greess; Vice Pres., Jerry Canning; Sec., Laura Fjedal; Advisor, Mr. Koc

Virginia Beach, here we come! The senior class officers fought for a senior trip, starting with numerous meetings with Kimple and finally leading to meetings with the Board of Education (but did we ever have a tough time to get other student come and help support!)

We tried to raise class spirit and though we never won a decorated hall or a float competition we had a lot of fun trying — more important, *WE GOT INVOLVED!!*



As I reflect on my association with the Class of '81, I have a deep feeling of satisfaction and affection. This is a class which has shown in many ways that it cares — for each other and for S.B.H.S. Through the many activities in which we have participated together, I have gotten to know many of you quite well. The Class of 1981 should take great pride in their varied accomplishments and in the pursuit of justice in what they feel is proper. They have usually been a reasonable and fun group of people with which to deal. I have experienced four great years with this class and have learned a great deal from them.

I also will be moving on with this class. It is only fitting that I move with the greatest — the Class of 1981! I sincerely wish only the best for each and everyone of you and I consider it an honor to have been your advisor. I will miss you!

MISS SOUTH
GO VIKINGS!
FAN MAIL

We stand here,
Saying goodbye.
I swore I'd never say goodbye,
But the time has finally come.
As you walk away,
I am at a loss for words.
I can no longer speak,
I can only watch you leave.

I have mixed emotions.
There is a smile on my face,
Yet I have tears in my eyes.

A smile for all the good times we've shared,
A tear for all the times we'll miss.

A smile for all the laughter we've shared,
A tear for all the laughter we'll miss.

A smile for all the smiles we've shared,
A tear for all the smiles we'll miss.

A smile for the companionship we've felt,
A tear for the loneliness to come.

A smile, thinking of all the memories I have for us,
A tear, knowing that there won't be too many more.

A smile knowing how much you'll like your new life,
A tear, knowing how much I want to be a part of it.

A smile, wishing you all the luck and success
in the world as you grow and change,
A tear, hoping that as you grow and change,
you'll still be my friend.

You stop, and turn to face me.
The look on your face tells me that
you'll always be my friend.
Finally, I can speak,
But now I am crying.
You wait to hear what I am about to say.
Through my tears, I manage to say . . .
"I love you, and I'll miss you!! . . .
. . . GOODBYE!"

Nancy Paley

IN MEMORY OF
Douglas Kish

The sun slowly sets in an imaginary
rainbow as the moon continues to
grow into the night.

Life moves onward;
times moves swiftly
as you awaken in the
Darkness of another
World.

Behold the knights suited in black armour as they stand guard against
all life and all joy.

The Undertaker's wagon moves slowly down the Path of Darkness to capture
another precious human soul.

The time grows slower;
But afar, through the
darkness there is a dim
light of hope which shines.

To grasp the light and hold a
glimpse of what was once yours,
is a last courageous breath;

Your short life and
time has been beautifully
served, but the years
of endless love and joy
have been instantly
Terminated.

Behold, you are a knight suited
in Black armour; solid, no life,
or love,
No warmth or wit,
still;
Just another statue,
Just another memory in life to go by . . .

SENIORS . . .

Graduation is a milestone . . .
We may pause for a moment,
Look back,
Smile . . . shed a tear.
Remember the good times and the bad
For both helped us to grow.
Remember our friends and our enemies
For both helped us to mature.
So many memories . . .
But now we must move on,
Our future is before us.
Go forward, Class of 1981!!
